Europe, Japan Take on Fed's Deficit in Attempt to Prop up Dollar

Sept. 16 (IPS) — The Finance Ministries and Central Banks of West Germany, Italy, France, Britain, and Japan this week decreed the collapse of their own economies as they fell into line with U.S. Federal Reserve Chairman Arthur Burns' domestic policy of wholesale government deficits. In real terms, it is a policy to gouge production in order to refinance debt. Between them, this reflex reaction will run up a projected \$175 billion in government deficits in the major industrial nations this year alone.

European and Japanese production and working class living standards will be destroyed; the consequent government debt can only be refinanced by diverting all available liquidity from already plummeting industry, by means of massive service cuts and money-printing, the new round of cuts in corporate profits and wages will further deplete tax revenues.

The Atlanticists of the industrial nations are opting for a policy of national bankruptcy.

**Vampire Dollar**

The continued toleration of the debt-soaked dollar's hegemony over international trade and finance over both Rockefeller's American agents and their factional opponents alike is the root cause of their suicidal policy. The post-war dollar empire was built on the export of dollar debt obligations in the form of Marshall and Dodge Plan credits. These massive credit injections were guaranteed by maintaining the working class at starvation level wages. European and Japanese economies were resuscitated on the basis of precarious ratios of debt to equity (real assets and income).

The textbook horror-case is Japan, where since the war, paper credit has mushroomed to produce 90:10 debt-equity ratios. Corporate profits and governmental agencies' revenues became increasingly drained in order to prop up the mountain of debt, thereby creating a huge federal deficit.

Furthermore, through the International Monetary Fund the Rockefeller axis has dictated that each nation's gold reserves must be frozen — that is, unuseable. This maneuver both prevents competition with the dollar and buttresses its faltering value. Gold

reserves are thus useless for trade or to generate sound domestic credits. Secondly, the actual liquidity of those nations with significant immobilized gold holdings is much less than would appear to be the case.

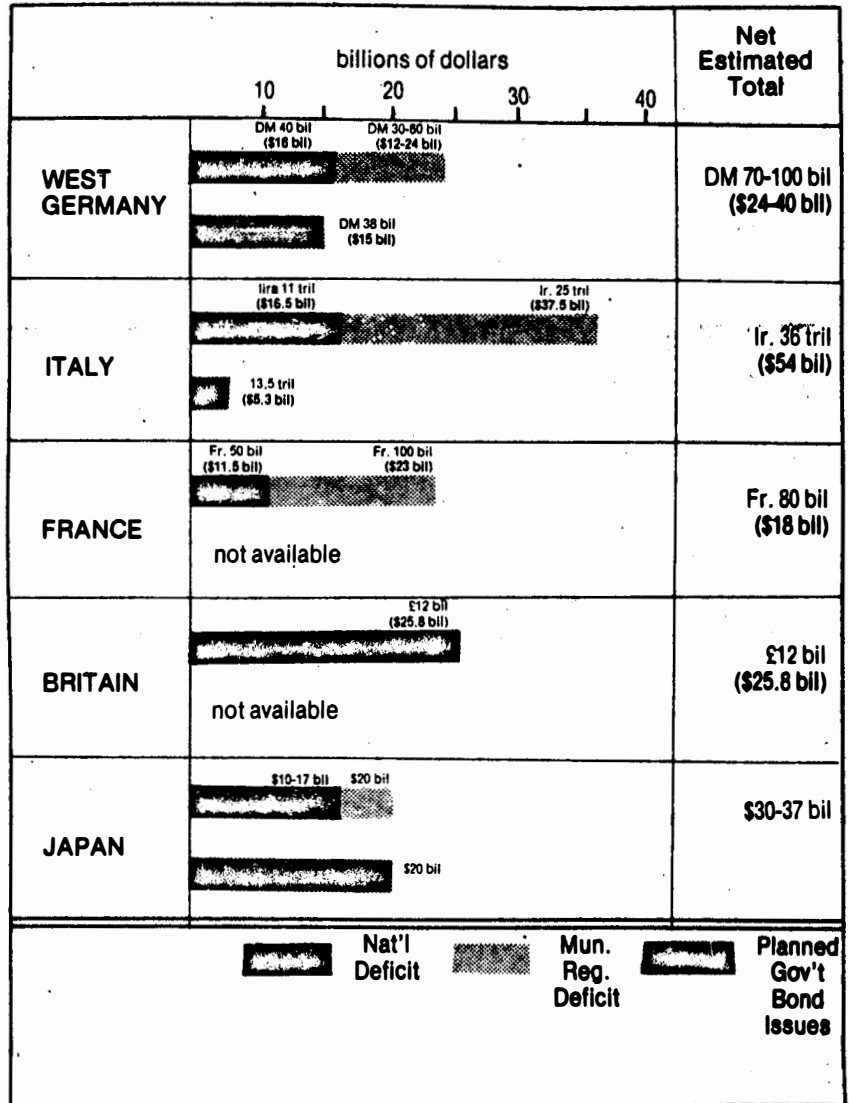

The only factor now operating in the favor of the dollar is the commitment of the European and Japanese finance ministries to run Burns' style deficits at the expense of crucial funds needed to revive industry. This process will only destroy these countries' credit ratings against the dollar.

The result, however, of this mutually

aggravated destruction policy will be a wave of municipal and state bankruptcies.

**Industrial and Working Class Triage**

With New York and Euromarket interest rates at record highs, the West German Bundesbank Sept. 11 led the rest of Europe and Japan in a wave of interest rate cuts of 1 per cent and more, leaving West Germany with a 3.5 per cent discount rate, "the lowest in the industrialized world," according to the Financial Times. This maneuver was ostensibly designed to help cash-starved industrialists. However, the

Atlanticists have no such good intentions. The actual effect of the rate decrease will be millions flooding out of these countries into the Eurodollar market to prop up dollar liquidity there, now in danger of collapse from unpaid Third World loans.

Rockefeller agent Finance Minister Hans Apel also made clear Sept. 11 that whatever funds were left would be eaten up by government debt. The Bundesbank backs the indebtedness plans of the government, he said; "because corporations will not begin significant new investments until 1977 (!) at the earliest." The Bundesbank has already bought DM 4.3 billion of government bonds to hold down interest rates, and its 1975-76 borrowing needs are estimated at DM 38 billion (\$15 billion).

In Italy, the municipal situation has become so aggravated that workers' lives are now on the line. The National Commission on Finances yesterday cut lira 187 billion from the already starvation-level lira 536 billion national budget for municipalities. Hardest hit was Naples which as documented by this newspaper has already been hit with cuts. The city's streets are filled with rats and garbage, caused by the general breakdown of water and sewage systems, and closed schools and hospitals. A full one-third has been slashed from the total Naples 1976 budget request.

Meanwhile Singer and other companies announced Monday that they were closing up rather than continue unemployment benefits.

Simultaneously, the national discount rate was lowered from 7 to 6 per cent, the prime rate from 14 to 12 per cent and lira 3.5 trillion (\$5.3 billion) in choice 11.98 per cent Treasury bonds were issued, crowding industry out of the market.

British Chancellor of the Exchequer Dennis Healy meanwhile is sabotaging lending to industry.

Having run down Britain's reserves through debt-service payments to the point where "the cupboard is bare" according to the Daily Telegraph, Healy is now mooting an unheard of printing up of paper pounds to finance the government debt, rising at a 50 per cent annual rate. His 1976-7 budget now in preparation will include over 10 per cent in local government spending.

French delegates at the U.N. Special Session on Development this week, flew completely in the face of currently overwhelming pro-gold Gaullist support for dumping the debt-ridden dollar. "We agree completely with the American," one delegate recited, "and we have a lot of debt outstanding to the Third World, too."

While the French financial press complains sarcastically that the government has "rediscovered the vir-

tues of the deficit," now estimated at an unprecedented Fr. 50 billion. Finance Minister Fourcade last week announced that he was "studying means to have a system similar to the Americans which permits creation of bonds which can be subscribed to by floating capital."

An emergency session of the Japanese Diet called to deal with the depression broke up in one-hour flat today as legislators failed to produce an alternative to Finance Ministry plans to finance a \$30 billion government bond issue, a full one third of the total national budget of \$102 billion, with a nationwide Big MAC. The Ministry proposes to use workers pensions and savings in its accounts to buy the bonds and then print yen to circulate through the banking system as Burns has done to consume the rest.

Currently a list of 30-40 "doubtful cases" — medium and large corporate candidates for bankruptcy — is circulating among Japanese security dealers, according to the Financial Times' Charles Smith. At the same time, the Finance Ministry Sept. 11 confirmed that Japan's imminent Fourth Reflation package will cut the bank rate by a full 1 per cent to 6.5 per cent and, pending Diet approval, could add yet another \$6.7 billion in supplementary public expenditures, all of which would have to be floated on the bond markets.

## Final Business Cycle: Production Shutdown to Hit in Mid-Oct.

Sept. 17 (IPS) — A group of 800 American business leaders was asked yesterday whether the upcoming "business recovery" would be "big," "small," or "aborted." The businessmen had gathered at the prestigious Conference Board meeting on "Business in 1976" at New York's Waldorf Astoria Hotel to find out whether they should expand or cut orders, increase or decrease production, or simply throw in the towel.

In response to the question, 40 raised their hands to signify that they expected a "big" recovery, 100 predicted a "small" recovery, and 40 indicated that they foresee an "abortion" of the recovery.

### The Last Business Cycle

U.S. government sources flatly confirmed this week that the widely heralded 3-month upturn in production is based on hot air, and that by mid-October American industry will shut down. Millions of workers will pour out of the factory gates, marking the end of the last capitalist business cycle.

Commerce Department figures on business inventory trends released yesterday afternoon show conclusively that the present production boomlet — based on the myth of a consumer-led economic recovery — is a complete psychotic episode. During the last three months retailers such as car dealers, department stores, and discount centers have been running up orders with wholesalers and manufacturers in anticipation of a sharp spurt in consumer sales. With no real sales actually taking place, inventory liquidation at the manufacturing level — the main reason for the pickup in industrial production — has simply reappeared in the form of inventory accumulation by retailers.

The Commerce Department's an-

nouncement that retail sales in August plunged by 1 per cent because of a collapse in worker income pulls the rug out from under the "consumer-led recovery" delusion and sets the stage for the massive levels of inventory dumping that sparked last year's depression shutdown of industry. Retailers will slash orders from wholesalers who in turn will cancel orders and shipments from manufacturers who will then stop production.

If the 1.3 per cent August increase in industrial production is an indication, manufacturers have not yet awakened to the psychotic game they are caught up in. The jump in industrial output was concentrated in steel, auto, and household goods (appliances, furniture), precisely those sectors which are without a market.

Steel production, which has surged by more than 10 per cent in the last five weeks, is related to two short-lived phenomena: hedge purchases by steel consumers in anticipation of a price increase scheduled to go into effect in two weeks, and buying by such consumers of steel as auto in response to their own baseless boomlets. Once higher prices go into effect and the auto industry shuts down, steel demand will collapse and so will the industry.

The auto boom, meanwhile, is about to enjoy its fate of one year ago, when assembly lines were mothballed. Present production schedules are running at a rate equal to one year ago, but sales are down by 10 per cent. Unlike last year workers are not even hedge buying! It is not surprising, therefore, that stocks of unsold new cars have reached a near record 1.45 million units, several hundred thousand greater than a year ago.

It is a matter of weeks before the U.S.

steel and auto industries — the twin pillars of the world's largest national economy — shut down and spread their misery throughout the rubber, transportation and machine sectors.

This second depression collapse of production will bear striking resemblance to the one which ripped through the continent one year ago, in all but one important respect. The squeeze on corporate profits, state, and municipal tax revenues, and personal income will precipitate uncontrolled chain reaction defaults and bankruptcies and bring down the entire banking and credit system once and for all.

Despite the evidence, much of it compiled by government agencies, Council of Economic Advisors Chairman Alan Greenspan told the Conference Board meeting yesterday that the August rise in industrial output was evidence that the "economic recovery" had gained momentum, and concluded that an economic boom was due in 1976, complete with a 7 per cent growth rate! Afterwards Greenspan was asked by an IPS reporter "What do you think of the August drop in retail sales, from the standpoint of the consumer-led recovery?" The CEA chairman's eyes went glassy, and he shouted, "I've got to go now," and ran out. Our reporter could not catch him.

Interestingly, earlier last week Greenspan's Wall Street consulting firm, Townsend-Greenspan, from which he is temporarily on leave, candidly admitted to IPS that should the vaunted consumer sales upswing fail to materialize the entire economic upswing would be "blown to pieces." Quiet rumors are now circulating throughout Wall Street that Greenspan's firm will refuse to rehire him after he is relieved of his present duties.

## International Trade Set for October Slump

by David Goldman

Sept. 17 (IPS) — International trade will slump from its present 10 per cent annual rate of contraction to a more than 20 per cent rate of collapse by mid-October, according to an IPS survey. The only positive feature of international commerce picture is the present expansion of East-West trade, and expansion of trade between the socialist countries and the Third World.

The survey — which focused on capacity-utilization in dry-cargo shipping, shipping rates, and the issuance of short-term credits in international commerce — shows that current orders and available short-term credits will sustain the present low levels of international trade for the next 30 to 60 days. But the "pipeline" of international trade is drying up rapidly, due to chaotic conditions in the dollar credit sector, on which 60 per cent of international trade depends.

### Down, Down, Down

Generally, commercial orders for international delivery reflect the state of industrial orders, and anticipate industrial output. In a pattern identical to the fall-off in anticipated industrial output in the U.S. sector, current indicators show a downward slide appearing between four and six weeks from now.

\*Long-term credit issuances to major importing countries collapsed during July and August, and European governments have been forced to take emergency measures to prop up national reserves of their trading partners. National reserves are held by central banks as a pool of claims on other nations to pay for imports. Bond issues on the international market, a major source of financing for advanced-sector countries with a wide gap between imports and exports, fell to near zero during August, and market sources indicate that the main international pool of funds will be moribund through June. Lack of funds to purchase international bonds has driven up interest rates by more than 1 per cent this month, a record rise to 11.5 per cent for top borrowers. The international market's benchmark of creditworthiness, the European Investment Bank, has had to withdraw from the market due to "unstable market conditions," the bank's underwriters say.

\*The main demand on trade financing during the last few months,

large-ticket items being shipped to oil-producing countries, will dry up within the next few weeks, according to bankers, since the backlog of orders has thinned down, due to the \$20 billion drop in oil revenues during the past year.

Apart from the continuing Mideast orders, bankers say, other sectors of trade financing are shrinking rapidly. European demand for trade financing has dropped sharply, the survey shows, while Japanese borrowing for commercial uses in New York has dropped by 40 per cent since January, mainly due to a collapse in the country's imports of industrial raw materials. Japanese demand makes up 33.33 per cent of the New York market in bankers' acceptances, a much used form of trade paper.

\*Dry cargo rates in international shipping have stabilized, according to a consensus of experts, only because recent Soviet grain purchases have given the sagging market a temporary boost. Once these shipments are concluded, or if they are interrupted by the State Department for economic warfare purposes, the shipping market will continue to collapse. Other commodities, such as coal, iron ore, and industrial raw materials, have fallen off sharply in international deliveries. One result of the market collapse is frantic lobbying by U.S. shippers to persuade Washington to exclude Soviet and other carriers from part of the U.S. market.

The single trade channel that is undergoing expansion is based on European extensions of credit to the Soviet bloc, which will borrow about \$1.5 billion to pay for imports during 1975. Although American banks have refused to participate in most loans to the Soviets, European bankers have made lending for East-West trade top priority. This has only secondarily to do with banking criteria. According to Ludwig Poullain, the chief of West Germany's third largest bank, the Westdeutsche Landesbank, the Soviets demand, and get, price discounts in their imports to compensate for inflationary Western interest rates. The extent of lending indicates that European bankers are already anticipating a political agreement between their countries and the Soviets to create transferable ruble financing arrangements for trade, bypassing the dollar credit sector.

## Motion Toward IDB is Sustaining World Trade

Sept. 20 (IPS) — From the standpoint of plain financial criteria, there is no longer a basis for international trade.

By April of 1975, according to International Monetary Fund statistics, the volume of international trade (dollar value of exports minus inflation of export prices) had fallen by a full quarter, of which the industrial countries lost 20 per cent, and the underdeveloped sector, including oil producers, substantially more. This collapse corresponded to the 20 per cent drop in industrial production worldwide up to May 1975.

According to IPS estimates, the financial pressures on both the advanced sector and industrialized world will momentarily force a 50 per cent collapse of Third World trade and a 25 per cent collapse of advanced sector trade from current depression levels: economic holocaust. This corresponds to the next step in the staircase-collapse of industrial production, which began formally this week with the closing of a Ford Motor Co. economy car plant at the outset of the new model year.

But it won't happen this way. Trade is being sustained by the means identified in May by the International Caucus of Labor Committees: "A political declaration concerning those aspects of international trade we jointly intend to support and honor creates de facto interim credit for those economic and financial activities whose current maintenance is indispensable."

Credit for world trade is no longer provided through Rockefeller banks, but through the political statements and understandings of the Soviets, Third World governments, West German, French, and Italian industrialists, and the pro-Commonwealth faction in Britain. This works out to an agreement between these forces to employ existing financial mechanisms — including the remnants of the dollar system — to finance trade during the interim period in which negotiations towards lasting financial arrangements are underway.

### Breakthroughs

In the past week, the following breakthroughs took place along these lines:

The Italian government made \$900 million in state credits available to finance East-West trade, which, in turn, became possible when the West

German government agreed to a moratorium on about \$500 million in debt payments due from Italy on a loan made last year. The West German government took this unprecedented action although, according to the loan agreement, it could have appropriated Italian gold reserves in lieu of payment.

Meanwhile, at an Italian industrial fair, Soviet and Italian representatives jointly outlined a program for integration of the Soviet and Italian economies, mutual exchanges of high-technology industrial equipment and raising agricultural output. In a related development, the Italian financial daily *Il Fiorino* praised the Soviet sector's stability in international trade pricing, in contrast to the wild fluctuations of commodities in trade in the dollar sector. Whether inflation — imported from the dollar zone into domestic European economies — could be exported into the Soviet sector has been the primary stumbling block in current negotiations over the use of the Soviets' transfer ruble in international trade.

Previously, the West Germans, the lead negotiator for Europe on the transferable ruble program, had insisted that the Comecon "modify" its pricing structure and, effectively, import inflation from the dollar zone. For Western Europe to agree to the Soviets' trading system, which has maintained price stability in most cases, as *Il Fiorino* already has, means breaking with the dollar, the generator of Europe's inflation.

While the Italians and West Germans have agreed to part with dollar reserves in order to finance current trade — an unthinkable policy by criteria financiers normally use — the Soviets are borrowing massively on the international dollar market, mainly from European banks, to finance further imports from the West. This year alone, the Soviet sector will borrow about \$2 billion for trade financing, a scale of indebtedness that has bewildered Western observers, who protest that the Soviets are financially "conservative." As the *Japan Economist* magazine noted with mixed feelings, "The Soviets are borrowing rather than using their gold reserves because they feel that the dollar and International Monetary Fund are weakening...they plan to have a leading

role in the new world monetary system and reduce the dollar to a second-rate currency." In recent financing, a loan from Comecon's International Investment Bank drew \$400 million under the West German Deutsche Bank's management; it had initially tried to raise only \$250 million.

West Germany's largest political party, the Christian-Democratic Union, discussed the use of the transfer ruble in East-West trade and joint development efforts with the socialist countries in the Third World at a meeting of its Economics Council this week. These discussions were reflected in recent talks on long-term economic cooperation between Comecon and West Germany between the Soviet leadership and CDU emissary Jan Eilers. These discussions, and emphatic statements on East-West trade by West German political leader Herbert Wehner and Hans Friderichs, the present Economics Minister, are the real basis for massive credit extensions to the Soviets by the West German banking system.

Contrary to U.S. press reports, which imply that Henry Kissinger's grain schemes occupy the main attention of the Comecon countries in the trade field, the Comecon countries explicitly prepared the past week's breakthroughs, with an organizing push that peaked in early September. East Germany's Leipzig Trade Fair earlier this month was the scene for discussions on East-West and "triangular" trade between the top East German leadership and industrialists from France, West Germany, and Italy. East German premier Honecker, in his speech, stressed the possibilities for the construction of road and rail links between the two Germanies, while West German chemical firms worked out arrangements which point to the integration of the German chemical industry.

Commenting on Comecon trade, an Italian newspaper noted the prospects for "joint cooperation in Third World countries...possibilities are outlined for Iraq, Algeria, Nigeria, and other countries, above all in the planning and construction of complete chemical plants and irrigation facilities."

Arabs Freeing themselves  
Hungary and Czechoslovakia this

week signed an agreement for joint financing and construction of a pipeline to ship Mideast oil to the Comecon area, with Kuwait and Libya. This is tied to efforts during the past month by Kuwait, joined by Iraq and Libya, to free their oil exports from the grip of the Rockefeller-dominated oil cartel, the Arabian-American Oil Company (ARAMCO). This week, Kuwait incorporated the International Petroleum Company, with 25 per cent Kuwaiti capital. It combines Kuwaiti and other Mideast oil suppliers with Danish distributors, Italian refiners, and English, French, and Swiss oil firms, in an open effort to displace the Rockefeller grip on Mideast oil. Aramco, meanwhile, has insisted that Kuwait has no right to ship its oil, except where Aramco permits it to!

There are few illusions among the participants in these trade arrangements concerning the future of the dollar. "We will borrow for one more year — then everything will be different," the central bank governor of one Mideast country with large Eurodollar borrowings told IPS recently. There remain major political questions to be settled before the transfer ruble and gold can be used to extend international credit, i.e., whether Europe will permit the dregs of the Allied Occupation to remain in high offices. Indeed, the chaos spreading throughout the dollar sector could choke off existing trade-financing facilities at any point, and the Sept. 30 rollover date on the international dollar market will probably force the issue. But trade is not proceeding because of the dollar, but in spite of it. Trade depends exclusively on current political agreements between the future constituents of a functioning International Development Bank.

UN Session ends in Victory for Third World on Debt, Development

by Peter Ennis

UNITED NATIONS, N.Y. Sept. 16 (IPS) — The Seventh Special Session of the United Nations General Assembly ended today as a major political victory for the Group of 77 developing nations, when the European Economic Community broke with the U.S. and backed the essential demands of the developing nations for the establishment of "a new international economic order." A final conference resolution was unanimously passed by consensus early this morning, with an isolated United States the only country to voice major "reservations."

While the content of the resolution passed today, in light of the imminent collapse of the dollar-based monetary system, is not that substantial, the major political victory won here by the Group of 77 sets the stage for further cooperation between the developing nations and the nations of Europe around a program of breaking with the dollar through debt moratoria and expanding "triangular" trade and development agreements with the Comecon nations.

The major break in the conference came yesterday, when the Group of 77, led by Iraq and Algeria, decided to submit for conference adoption an agreement reached with the European Economic Community and Japan concerning levels of development aid and other issues subsumed within the "transfer of resources" discussion category. This key Third World-European alliance jelled following the breakdown of negotiations between hated U.S. Assistant Secretary of State Thomas Enders and representatives of the Group of 77. The U.S. refused to accept the key demand of the developing nations contained in the "transfer of resources" category — a net total of 1 per cent of advanced sector GNP (total aid minus that portion immediately consumed in debt service) be provided as development assistance by the industrial nations by the end of this decade. This target, if met, would necessitate the cancellation of the \$130 billion of outstanding Third World debt. Several Third World dele-

gates said that while the United States was not genuinely willing to discuss and compromise, the opposite was the case with the Europeans and the Japanese. "The Europeans certainly came a long way," one key delegate told IPS.

The cooperation between the Group of 77 and the EEC around the issues subsumed under "transfer of resources" was carried over to the final document when the Ad Hoc Committee in charge of negotiations met early this morning to adopt the final resolution. Speaking on behalf of the EEC, the representative of Italy expressed EEC support for the final document and emphasized several points of agreement which he thought to be of particular importance. Then, on behalf of France, the EEC representative said that the French government considered it a necessity that the problem of debt service of developing nations be part of discussions to increase overall financial assistance to the developing countries. The United States, however, raised at least six major "reservations" concerning the final document.

**U.S. Isolated**

The willingness on the part of the EEC nations to cooperate was a direct result of the pressures within Europe to break with the U.S. dollar, and was the alliance Kissinger most feared would develop. Previously in the negotiations the United States wiggled out of an expected debate on means of relief of the tremendous debt burden of the developing countries by "agreeing" to participate in a conference to discuss the debt problem. Despite this temporary escape from joint Third World-European declaration of debt moratoria, however, Kissinger failed to halt the momentum of the Group of 77, gained largely through the relentless organizing of Algeria and Iraq, and given a major push by the cooperation from Europe. This momentum and the necessity for Europe to break with the dollar to avoid a depression collapse are sure to produce substantial programmatic discussion at the up-coming Paris conference on energy and other economic issues, as well as the UNC-TAD (United Nations Conference on

Trade and Development) meeting on October 27.

While the official line from the United States State Department is that the conference was a success because the final document included many of Kissinger's "proposals" as presented in his speech two weeks ago and because "genuine negotiations" took place, the reality of U.S. isolation was dramatically shown by the loss of composure by U.S. Ambassador Daniel Moynihan in a press conference this afternoon. An IPS reporter asked Assistant Secretary of State Enders, also present at the press conference, if he thought Algeria and Iraq had attempted to "wreck" the conference, as one U.S. delegate said two days ago. Moynihan interrupted the question saying, "I'll answer that. Did he (the U.S. delegate) say that in public or private?" When informed that the delegate knew very well who IPS was, Moynihan wildly claimed, "If he said that he was probably right." He then went on to say that while "it is not for us to comment" on the internal meetings of the Group of 77, (sic) several radical nations "had thought there was not enough to be gained from the negotiations," and therefore tried to disrupt them. However, he lied, "the stronger voices" of the "moderate" nations predominated. Earlier in the day Moynihan began a statement to the General Assembly by saying, "Mr. President, Mr. Secretary General, on behalf of the United States, which styles itself non-socialist...!"

Yesterday the Chairman of the Group of 77 issued a statement denouncing claims made by Moynihan on television two days ago that several countries within the Group of 77 were disrupting the negotiations. Clearly stating that the Group of 77 had tried to "maintain a harmonious atmosphere" throughout the negotiations, the Chairman, Garcia Robles of Mexico said, "We therefore take the strongest exception to statements of this kind which imply that our group is acting in any but the most responsible manner — statements which can only create disharmony to the detriment of the UN and the interests we all seek to serve."

## Special Report:

### Congress Facing Showdown on Police State

by B. Barré

WASHINGTON, D.C., Sept. 17 (IPS) —A constitutional crisis and a diversionary extravaganza by the Senate Select Committee on Intelligence is the premise for Rockefeller's moves to institute sweeping gestapo reorganization of the intelligence community and domestic police state "reforms." The scene is reminiscent of the 1961 scapegoat trial of Adolph Eichmann.

#### Operation Eichmann

As Eichmann was made the convenient focal point of anti-Nazi rage to cover Rockefeller's active and wide-ranging Latin American Nazi network, so Senator Frank Church staged televised hearings yesterday spotlighting the CIA's failure to carry out a Presidential order to destroy two poison canisters. With toy dart pistols waving, one-time OSS operative Church drew attention away from the Rockefeller-Kissinger-National Security Council international deployment of terrorists and dirty trick experts. That story broke Monday in a front-page Washington Star News article on former government agent Roy Frankhauser.

The widely publicized Church circus feeds the debate on the reformation of the command and control structure of the CIA. The debate paves the way for the unconstitutional "reforms" recommended by the Rockefeller and Murphy Commissions earlier this year. Last weekend, both Ford and Rockefeller revealed they were studying how to administratively implement such changes.

Despite Church's best efforts to cover for Rockefeller, a document released

by his committee yesterday showed that the CIA had used the New York City subway system for a dry-run covert attack using simulated poison gas—Rockefeller's real target is the domestic population!

#### Ford Defies Subpoena

With Church holding center stage yesterday, President Ford announced his intention to defy a subpoena ordering him to turn over classified documents on the Vietnam war to the House Select Committee on Intelligence. Ford's reason: the Committee's refusal to change its operating procedures.

Committee chairman Otis Pike (D-NY) remarked, after Ford's news conference, that he would oppose any compromise on Congressional rights to both declassify material classified by the executive branch and subpoena and obtain Presidential documents. Pike told a reporter that "it will be my recommendation that we...go into court" if Ford fails to turn over the documents today. Pike is refusing to relinquish classified documents in the Committee's possession as per Ford's order last week.

The most serious constitutional confrontation between the legislative and executive branches since President Nixon refused to turn over documents and tapes subpoenaed by the Senate Watergate and the House Judiciary Committees is being used by the Rockefeller Administration to revive police-state legislation via passage of the notorious Senate Bill 1 (S.1). At yesterday's press conference, Ford unveiled the Rockefeller strategy: "I think it is fair to point out...that some of the (classified) material (released by

the Committee) is specifically protected by law, and if a private citizen were to release that information involving communications intelligence, it would be a criminal—a serious criminal offense."

"I am not saying that the Congress has violated a criminal law, or this committee has done so. I only use that as an illustration."

Ford stopped short of actually accusing Congress of a criminal action in its release of four unauthorized words from a classified document last week. The import of his threatening remarks was made clear by the recent flurry of activity by Rockefeller agents in Congress. IPS learned today that S.1 will be reported out of a Senate subcommittee to the full Judiciary Committee in the next two weeks. S.1 specifically provides for strict penalties to citizens, public officials, and press personnel who make public information or crimes related to national security. The bill restores the Smith Act, making it a crime to advocate revolutionary change, defines a riot as an "assemblage of five persons" which endangers "property," revives laws made inoperative by the courts, and imposes restrictions not dreamed of during the psychotic McCarthy era.

Rockefeller enforcer Sen. Hugh Scott (R-Pa.), an ardent supporter of the bill, yesterday agreed to grease the legislative machinery for passage of S.1 by endorsing a set of "liberalizing" amendments sponsored by "liberal" colleague Birch Bayh (D-Ind.). These amendments are designed to draw Congress into a debate on whether to abolish 90 percent or 95 percent of the constitution.

## Levi Forces Frankhauser to Plead Guilty

PHILADELPHIA, Pa., Sept. 16 (IPS) — Due to the personal intervention of U.S. Attorney General Edward Levi through the U.S. Attorney's office in Philadelphia, former government agent Roy Frankhauser today pleaded guilty on two counts to charges stemming from his activities while acting as an agent for Federal agencies, and from a government-directed frame-up. As the U.S. Labor Party had warned, part of Levi's "deal" involved stipulations that Frankhauser make certain statements about the U.S. Labor Party, which have not yet been revealed.

Levi intervened to suppress and destroy evidence of illegal activity by federal agencies and prevent that evidence from coming before Congress. Information provided to the U.S. Labor Party by authoritative sources indicate that Frankhauser has been placed in a controlled terror environment where this evidence is in immediate danger of being destroyed through brainwashing or some form of menticide. This has been done in full coordination with the U.S. Attorney's office.

U.S. Labor Party sources report that Frankhauser was today again offered a "deal" where he would have to: 1) sever the government from responsibility and recant previous testimony implicating the Alcohol, Tobacco and Firearms Division of the Treasury Dept., the FBI, the NSC, and the Attorney General's office in gun and drug-running operations; 2) to stop talking Labor Party "nonsense" of government involvement in these crimes; 3) to gag himself for five years.

Before trial the U.S. Prosecuting

Attorney, Frankhauser's court appointed lawyer, Schmuckler, and the judge met secretly in the judge's chambers. All indications are that Mr. Frankhauser was terrorized by playing on his fear of the prison environment (where he was once brainwashed), lobotomization, and — or further brainwashing. It is known that Mr. Frankhauser had previously received threats of 51 years imprisonment emanating from the U. S. Attorney's office.

At the trial Schmuckler stated his "defense" of Frankhauser: That he (Frankhauser) was not in the employ of the government on one count, and in the second, Frankhauser had been told to back off the operation which he had refused to do. A guilty plea was entered on both counts, each with a maximum sentence of 10 years and \$10,000 fine.

The government threatened to complete the frame-up with a felon, a lobotomized zombie, and a Federal agent.

### Investigation Urgent

Now more than ever, Roy Frankhauser's life is in immediate danger — including the threat of assassination at the hands of the intelligence community. The publicity begun by the headline story on Federal Government complicity in terrorism in the Washington Star on Sept. 14, must be expanded to all major press sources.

Today's developments underscore the immediate necessity for Congressional intervention of the Reading gun-running network, and of FBI-CIA operations against the U.S. Labor Party.

## Rockefeller Moves to Set Up U.S. Security Dictatorship;

### Liberal Dems in Full Retreat

by Barbara Barré

Sept. 20 (IPS) — Nelson Rockefeller's drive to establish a police state in the U.S. has gathered steam in the last 48 hours with the temporary collapse of his erstwhile "liberal" Democratic factional opposition, nominally led by Senator Edward Kennedy. The liberal Dems' "Fall Offensive" against Rockefeller's Murder, Inc., publicly advertised by the House and Senate Select Committees on Intelligence, has turned into a cheerleading apology for a reorganization of the government under a National Security Council (NSC) dictatorship.

With the Democrats in full retreat, Rockefeller is quickly and quietly bombarding Congress with a host of domestic fascist legislation: the notorious Senate Bill 1 (S.1), institutionalizing a Gestapo criminal code reform, is now on its way to the Judiciary Committee — of which Kennedy is a member; and Secretary of Labor Dunlop's corporatist labor-management bill for the construction industry, with Kennedy's sponsorship, is now on the House floor awaiting a vote — a scant ten days after it came into existence!

Rockefeller's reorganization blueprint inspired by the words of the Murphy Commission, calls for expanding the powers and personnel of the NSC to encompass responsibility for international economic policy — the guts of any foreign policy. Under this plan, the Treasury Secretary would immediately join the NSC, with the Secretaries of Agriculture, Commerce, Labor, etc. speedily following suit, thereby consolidating a super-cabinet in the NSC. The objective: to establish a top-down, 1984-style economic dictatorship over the world's resources and their allocation, and facilitate the implementation of fascist economic policies domestically. An alternative Murphy Commission proposal is to junk the NSC and create an "overall policy council" for both foreign and domestic matters, an International Economic Policy Board by which the State Department swallows the government whole.

Despite the awesome magnitude of these structural changes, they are without content, and therefore doomed to failure, since Rockefeller has no strategy for putting the depression-racked economy back together. Naked terrorism and triage is all the "policy" the Fang's got.

In the last few days, spokesmen for

the liberal Democratic braintrust have confided to IPS that the antics of Senator Church's Intelligence Committee will result in proposals to abolish covert "dirty tricks" operations, turn the CIA into a "college of analysts," and make the NSC into an economic council that will employ foreign aid, credit, trade, the World Bank as weapons. Robert Borosage, a colleague of former NSC staffer Morton Halperin at the Center for national security Studies, told IPS on Thursday, "My goal is to get rid of thugs. International economics will replace thugs." — boycotts instead of beatings. Squeamishly turning a blind eye to NSC coordination of international terrorism, Borosage added, "Don't worry about the National Security Council... Do you know the Murphy Commission? That's the way they (NSC) are going to go."

Simultaneously, leading liberal fascist Senator Stuart Symington (D-Mo.) introduced a bill into Congress that would make the Secretary of the

Treasury a member of the NSC. Colleague Mike Mansfield jumped to add his name to the Murphy Commission bill. Symington's aide claimed the Senator had formulated the idea himself — inspired by Herbert Hoover's 1948 recommendation that the NSC become economic policy-maker supreme!

On the same day, Symington warned of an impending fascist threat: "There is a great danger in this country. It's comparable to the one that swept Germany in the 1930s. If you look at the economy...New York City, you'll know what I'm talking about."

Symington's schizophrenia epitomizes the "psychology" of the gutless liberal. Once known for unpredictable outbursts of rage, the Senator some 20 years ago underwent a sympathectomy, a procedure whereby his sympathetic nervous system was severed from his spine. This saved Rockefeller the trouble of removing it altogether. Since then, Symington has the reputation of being a docile, well-behaved fellow.

Further clinical symptoms of the same disorder were exhibited by Sargent Shriver at a Washington press conference today where he announced his presidential candidacy as a stalking horse for Kennedy and left observers wondering if he were not a stand-in for Nelson Rockefeller. Among the leaders of the Committee for Shriver," the candidate said, are Cyrus Vance, newly named head of the Rockefeller Foundation, Thomas Watson, Chairman of IBM, and Richardson Dillworth, Jr., the Rocke-

feller family's personal financial adviser.

In his remarks, Shriver warmly endorsed Secretary of State Kissinger's extortionate speech to the United Nations Special Session, terming it "the beginning of U.S. policy for the Third World." Calling Kennedy "the best and most qualified" Democrat to be President, Shriver also endorsed Rocky's plans to expand the NSC, saying it "would not have adverse effects on East-West trade, especially under a Shriver Administration."

The day before, a Shriver campaign aide told IPS that the candidate welcomed efforts to implement the Murphy Commission proposals which "Mr. Shriver and other Democratic Presidential candidates could act on."

Meanwhile, the candidate behind the candidate held hearings of his Joint Economic Subcommittee on Energy yesterday and warmly welcomed Kissinger to testify, praising the "conciliatory" Fat Henry of Kansas City, the UN, and the International Energy Agency. Kennedy remained expressionless as Kissinger ruled out any U.S. accommodation with the Third World. Kissinger stressed repeatedly in his presentation that current NSC negotiations with the Soviets over grain for oil — an exemplary model of the Murphy Commission "reforms" in action (see article, p. 6) — are "very fruitful" even though he is not at liberty to say anything concrete about them yet. Silent, Kennedy gave his acquiescence to Rockefeller's efforts to put U.S. economic, trading and credit processes under the wraps of the NSC.

## Special Report:

### Kissinger Threatens Nuclear Terror Over Portugal, Middle East

by Lyndon H. LaRouche, Jr.  
U.S. Labor Party candidate for President of the United States

Sept. 18 (IPS) — The past weekend's televised infantile outbursts by U.S. United Nations Ambassador Patrick Moynihan and President Gerald Ford's Canute-like posturing in Texas last week are merely symptoms of a monstrous ugliness erupting behind the scenes. A series of major diplomatic and other political defeats has prompted the Rockefeller faction among the "Atlanticists" to launch a counter-thrust of pure terrorism, including a posture of threatened thermonuclear confrontations.

The two flash-points prominent during this month have been Portugal and the Middle East.

Although Ford's public insistence that the CIA is not being used in Portugal is a completely false statement, his report that "diplomatic" measures have been the principal U.S. weapon used contains a germ of half-truth. In fact, Labor Committee investigations have collected a large amount of direct evidence of massive National Security Council-coordinated deployment of arms and pro-fascist personnel from the U.S. into Portugal — in addition to massive NATO airlifts of pro-fascist fighting forces into Portugal from Angola. The half-truth in Ford's public statement is that the main weapon used has been unprecedented threats of economic warfare and military interventions against Portugal, coordinated through State Department "hit man" Frank Carlucci.

In itself, Kissinger's recently negotiated "cosmetic" agreement on Egypt-Israel Sinai armistice lines is a contemptible carnival performance, accomplished through "Mutt and Jeff" outrages against both the Rabin and Sadat governments. In fact, as Israeli Ambassador Herzog's recent UN address details, the Israelis have been moving rapidly toward a general comprehensive agreement with Arab forces on the basis of area development pacts consistent with the gist of the "Group of 77" proposals. Only working agreement on discussion of the rights of the Palestinian Arabs need be added to Ambassador Herzog's formulation for serious, comprehensive Middle East peace agreements to begin at Geneva.

Taken by itself, the "cosmetic" Sinai agreement is mainly a preemptive action taken by Kissinger in an effort to block meaningful negotiations already in preparation. Otherwise, the significance of the pact itself is entirely contained within the secret "additional" agreements. As the recent flap over Pershing missiles properly suggests, the gist of the whole affair is Rockefeller-Kissinger re-escalation of moves toward a thermonuclear confrontation, using threats of a limited nuclear strike by Israel in the way indicated by Schlesinger's RAND Corporation "flexible response" doctrine.

In addition to the direct threats of thermonuclear confrontation over Portugal and the Middle East, Kissinger and the Rockefeller brothers have turned on all the spigots in threatening and attempting outright military coups and other "destabilization" actions against any government which strays from the Rockefeller-Kissinger line. The current "destabilization" plot against Great Britain and moves in the same direction in West Germany, Italy, and elsewhere are part of the same package.

The televised performance of Moynihan correctly indicates that Kissinger is reacting immediately to the "threatened" success of triangular pro-development agreements among the Comecon, the developing sector, and European and Japanese regions of the industrialized capitalist sector. More deeply, Rockefeller's obscene rage is motivated by the same spiraling economic collapse which is pushing European and Japanese industrialists, among others, toward triangular pro-development cooperation agreements. The U.S. dollar, as presently constituted, is bankrupt — a fact emphasized by the skyrocketing of U.S. interest rates above those of even bankrupt Italy. The debt structure of international dollar-denominated loans, on which the Rockefeller family empire directly depends, is faced with collapse — Rockefeller and Company are reacting like the last Tyrannosaurus faced with evidence of its impending extinction.

#### The Soviet Reaction

Recent diplomatic shifts by Soviet and other Comecon spokesmen inevitably reflect the Rockefeller-Kissinger renewal of thermonuclear confrontation threats. Spokesmen of the German

Democratic Republic have been clearest in this week's statements on the matter. Warnings of a potential abrupt turn in the international situation have been publicly linked to both the special urgency of disarmament agreements and the case of Portugal.

In part, the relatively low profile of Comecon spokesmen during the recent UN special sessions was merely consistent with Comecon policy of commitment to supporting the developing sector within the "Group of 77" and UNCTAD. Comecon spokesmen generally stated their policy and then avoided involvement in the unprecedented intensity of negotiations occurring in the committee meetings and lobbies. The prudence of such a Comecon policy coincides with points made in the initial public presentation of the International Bank proposal, at our April 24 press conference in Bonn, West Germany.

However, the extent to which Comecon representatives went to avoid even a hint of involvement in the often sharp confrontations between U.S. and developing sector representatives can not be assessed apart from the way in which almost "single issue" emphasis was placed upon the "disarmament" proposal in Soviet publications' treatment of that topic.

Such a tactical posture is understandable, even though it is not the policy we would follow were we in the Comecon leadership. From the Comecon standpoint, major Western European capitalist forces, tentatively supported by a parallel thrust among some U.S. capitalist groups, are pushing for pro-development triangular economic cooperation. It is understandable that the Soviet leadership would wish to avoid complicating the factional situation of such pro-development capitalist factions. This point is emphasized by the fact that the Rockefeller faction-supporters in both the U.S. and Western Europe currently have only one big stick in their efforts to counterattack against the pro-development factions: the demand that the pro-development capitalist factions subordinate everything to the "principle" of loyalty to post-war NATO anti-Soviet alliances.

Under these circumstances, which are the situation in fact, the Soviet leadership has narrowed its tactical focus to the immediate danger of

Rockefeller-directed military confrontations, It has not lessened its practical efforts to enhance pro-development economic cooperation, but has maintained a low profile on direct confrontations with the Rockefeller forces and the developing sector on the issue of international debts.

#### **Certain Communist Parties**

Rockefeller-Kissinger threats on other fronts have been supplemented by massive threats against certain vulnerable Communist parties — notably the West German DKP and the Canadian CPC. Kissinger, in tandem with the Brandt faction of the West German Social Democratic Party (SPD), has threatened to outlaw the DKP and

has caused similar threats of repression to be directed against the CPC and forces within the Communist Party USA. The three issues which Brandt and other Kissinger agents have raised in connection with these threats of repression are Portugal, Maoism, and the Labor Committees.

The DKP, CPC, and CPUSA will be permitted to conduct ineffectual, "bloody-shirt-waving" sorts of expressions of literary sympathy and low-profile educational meetings for the Portuguese Communist Party, but are subject to ruthless acts of repression if they attempt to undertake active organizing in behalf of support for the Portuguese revolution.

In West Germany, although paid gangs of Maoist hooligans are conducting saturation assaults on DKP meetings, rallies, and newspaper distributions, the DKP has been warned by Brandt and Company that any DKP mobilization against such Maoist attacks will lead to abrupt outlawing of the party.

Also in West Germany, "Atlanticist" spokesman Brandt has taken a variety of unprecedented actions threatening even SPD members of parliament who are found discussing with members of the Labor Committees, and has deployed the top security agent of the SPD in related connections. The DKP

has been directly threatened with reprisals if it is found allied with the Labor Committees.

The pressures from the outside are aggravated by NATO intelligence agents planted within the parties. In West Germany's DKP, the NATO agents planted as disrupters and provocateurs within the party are coordinated with the PCI-Pajetta-created networks based in the Cologne section of the party leadership and are overt sympathizers of the Maoist organizations leading the SA-type assaults on both Labor Committees and DKP organizers. In the CPC and CPUSA, the prominent base of agents within the parties includes the British Columbian, Maoist-oriented factions, and the forces centered about Herbert Marcuse protégé Angela Davis in the Young Workers Liberation League and Daily World editorial offices.

The recent eruption of National Security Agency-directed slanders against the Labor Committees in the CPC and Daily World represent a sudden about-face forced upon Communist leaders recently moving toward collaboration with the Labor Committees, a capitulation to threats which is essentially a cover for a tone-down line on Portugal and a softer approach to the National Security Council's Maoist counter gangs.

Polls Show Gibbons to Make Boston Run-off

by Paul Arnest

BOSTON, Sept. 20 (IPS) — If the Boston Mayoral election took place today, U.S. Labor Party candidate Robert Gibbons would receive 38 per cent of the vote among the city's public workers, assuring Gibbons a place in the run-off race between the top two candidates. A straw poll of the city's 25,000 AFSCME workers, taken by the union and leaked to the Labor Party by knowledgeable AFSCME sources, gave Gibbons 38 per cent of the vote, the non-entity State Senator Timilty 52 per cent, and incumbent Mayor Kevin White, the CIA's favorite son, a pitiful 10 per cent.

According to one union leader, the 52 per cent vote for Timilty is a protest vote by workers still too timid to go communist.

The poll results have dealt a severe blow to CIA plans to rob tens of thousands of USLP votes in Tuesday's primary.

The Labor Party's own straw polls reveal a voter strength in key districts ranging from a base-line 15 per cent to upwards of 75 per cent in working-class districts.

Tonight the Gibbons campaign is

making preparations for Gibbons' appearance tomorrow before a mass meeting of the Boston Teachers Union. The teachers' contract extension expires at midnight Sunday, and Gibbons will call on them to include the call for a debt moratorium in their demands. White, his LEAA-orchestrated school busing race riot scenario reduced to shambles by the Labor Party, is now pressing ahead with his attempt to lay off several thousand teachers without even a pretense of a liberal cover. "I would go further than (New York Mayor) Beame" in slashing services to pay the city's banks, White told an interviewer last week.

At the same time Gibbons is preparing an offensive against White's LEAA-funded citywide methadone brainwashing and slave labor apparatus. Gibbons' initial targets will be a prize LEAA project, the "Treatment Alternatives Screening Center" (TASC), which runs a comprehensive methadone addiction and slave labor brainwashing program for the youth driven out of the schools by White.

The growing revolt against the White administration has produced substantial press coverage for Gibbons by

all major media outlets but the Boston Globe. Television news clips have given heavy coverage to Gibbons' frequent appearances on the USLP picket line at the downtown Kresge's.

In polls taken in the heart of Boston's key working-class centers, Gibbons has consistently scored 75 per cent of the working-class vote. A worker contact who organized her own campaign tour in black working-class Mattapan polled 20 workers and found 100 per cent for Gibbons.

However, Gibbons campaign staffers said, when the votes of those who are afraid to speak to USLP organizers, as well as those of the petit bourgeoisie and rich, are added to the total, Gibbons' massive pluralities will diminish. In Boston's "black belt," Roxbury, North Dorchester, and Mattapan, where the USLP won 12 per cent in Congressional races last year, the USLP expects to win 40 per cent of the turnout. In Boston's South End and South Boston, where the USLP won 14 to 25 per cent last year, the USLP projects 30 per cent, with an even split for the other two major candidates, and in working class East Boston, 25 per cent for the USLP.

## USLP Wins Two Seattle Slots Despite FBI 'Belfast' Script

by Norm Pearl

SEATTLE, Sept. 20 (IPS) — The U.S. Party qualified two candidates for the November run-off race here and reaped 21 per cent of the vote in municipal elections last Tuesday, despite selective vote fraud in the areas of heaviest Labor Party support and an FBI-LEAA orchestrated last-minute terror wave calculated to frighten voters away from the polls.

In the race for City Treasurer, USLP candidate Carol Ruckert qualified with 18 per cent of the vote. Marianna Stapel, USLP candidate for City Council, also qualified for the November election with 14.3 per cent of the vote. Brian Lantz, who polled 21 per cent in his race for Comptroller, did not qualify. An analysis by precincts shows a similar pattern of support for USLP candidates throughout the city.

The Seattle election results are a foretaste of what the Labor Party will be polling in upcoming elections around the country, given even half-way honest vote tallies.

Just prior to the elections, Seattle witnessed one terrorist bombing and several bomb scares carried out by the FBI's local minions. The evening before the elections, a Seattle TV station aired a program playing the terrorist incident in Belfast style. At the end of the show viewers were asked, "Will anyone turn out for the election?"

Days before the election, a half-crazed gang of fascists suddenly surfaced in black areas of known Labor Party support and distributed a series of "communist" leaflets advocating race war.

### National Crossfire

The Seattle election results have had an electrifying effect on workers throughout the country. In Camden,

N.J., scene of blatant electoral fraud earlier this year, workers responded to the Seattle results by buying more than 100 New Solidarities in rapid order, and dug donations out of their pockets.

"It looks like you're a major party," commented a worker in Tacoma, Wash., as he fished into his pocket for a donation. In Portland, a formerly hostile banker bought a Labor Party International Development Bank brief, saying, "It looks like we may win." The excitement reached into Canada, where a Vancouver member of the Canadian-Soviet Friendship Committee contributed \$9.

In Seattle, when police attempted to bust up a rally, a listener told the cops, forcefully, "I want to hear what they have to say. They have a right to be heard." The cops backed down. Another worker slapped \$20 into an organizer's hand.

Despite the high USLP totals, there was indication of vote fraud in several areas. In the two-part election for City Council position 2, in which voters who chose one candidate to fill out the rest of the present term, voted a second time for a candidate for the succeeding term, Marianna Stapel, who qualified with 14.3 per cent of the vote for the remainder of the present term, received only 1.75 per cent of the vote for the succeeding term. LEAA-sponsored Chip Marshall, a confessed terrorist and "ex"-Weatherman, was the recipient of votes siphoned off from Stapel.

A second example of vote siphoning was in the City Council position 5 race, where Nick Braun received only 8.7 per cent in this heavy Labor Party area while unknown Socialist Workers Party candidate Patricia "Big Potato" Bethard, who did not actively campaign, polled 17 per cent.

THE STATEMENT CAME IN RESPONSE TO CHARGES MADE YESTERDAY BY U.S. AMBASSADOR DANIEL MOYNIHAN, THAT LAGEIRA AND SEVERAL OTHER LEADING NATIONS OF THE GROUP OF 77 WERE DISRUPTING THE NEGOTIATIONS OF THE SEVENTH SPECIAL SESSION OF THE U.N. GENERAL ASSEMBLY. MOYNIHAN'S STATEMENTS WERE MADE ON SUNDAY'S "MEET THE PRESS" TV-SHOW AND WERE QUOTED IN THE NOTED STATE DEPARTMENT CONDUIT, THE NEW YORK TIMES.

"THE GROUP OF 77 HAVE SEEN WITH GREAT REGRET THE STATEMENT APPEARING IN THE NEW YORK TIMES OF TODAY, 15 SEPT. 1975.

"THE GROUP, ALONG WITH OTHER DELEGATIONS HERE AT THE UNITED NATIONS, HAVE APPROACHED THE SEVENTH SPECIAL SESSION OF THE UNITED NATIONS GENERAL ASSEMBLY WITH CALMNESS AND DETERMINATION AND WITH A STRONG DESIRE TO MAINTAIN A HARMONIOUS ATMOSPHERE EVEN IN THE FACE OF SERIOUS DIFFERENCES OF VIEW BETWEEN GROUPS ON THE ISSUES BEFORE US FOR NEGOTIATION.

"WE THEREFORE TAKE THE STRONGEST EXCEPTION TO STATEMENTS OF THIS KIND WHICH IMPLY THAT OUR GROUP IS ACTING IN ANY BUT THE MOST RESPONSIBLE MANNER -- STATEMENTS WHICH CAN ONLY CREATE DISHARMONY TO THE DETRIMENT OF THE UNITED NATIONS AND THE INTERESTS WE ALL SEEK TO SERVE."

## CRAZED MOYNIHAN AGAIN CLAIMS ALGERIA, IRAQ ATTEMPTED BREAK-UP OF U.N. SPECIAL SESSION

UNITED NATIONS, N.Y., SEPT. 16 (IPS)--DANIEL P. MOYNIHAN, U.S. AMBASSADOR TO THE UNITED NATIONS, LOST HIS DIPLOMATIC COMPOSURE AT A PRESS CONFERENCE HERE TODAY WHEN PRESSED BY IPS TO CLARIFY HIS POSITION ON THE ROLE THAT ALGERIA AND IRAQ PLAYED IN THE JUST CONCLUDED U.N. SPECIAL SESSION.

(MORE)

OVER THE PAST SEVERAL DAYS MOYNIHAN AND SEVERAL OTHER MEMBERS OF THE U.S. DELEGATIONS TO THE SPECIAL SESSION HAVE STRONGLY ATTACKED THOSE COUNTRIES FOR THE LEADERSHIP ROLE THEY HAVE TAKEN WITHIN THE GROUP OF 77 DEVELOPING NATIONS. APPEARING WITH MOYNIHAN AT THE PRESS CONFERENCE WAS ASSISTANT SECRETARY OF STATE THOMAS ENDERS. EXCERPTS OF THE EXCHANGE ARE PRINTED BELOW:

IPS -- MR. ENDERS, OVER THE PAST SEVERAL DAYS MEMBERS OF THE U.S. DELEGATIONS HAVE STRONGLY ATTACKED IRAQ AND ALGERIA FOR THE ROLE THEY HAVE PLAYED IN THE NEGOTIATIONS. SPECIFICALLY, MR. BENNET (U.S. DEPUTY AMBASSADOR) TOLD ME THAT HE THOUGHT ALGERIA WAS TRYING TO WRECK THE CONFERENCE..."

MOYNIHAN -- (INTERRUPTING) -- I'LL ANSWER THAT. DID HE SAY THAT IN PRIVATE OR PUBLICLY?

IPS -- (INTERRUPTING) -- HE SAID IT TO ME KNOWING VERY WELL WHO I WAS...THAT I WAS A REPORTER.

MOYNIHAN -- (LEANING FORWARD, LOUDLY) -- WELL... IF HE SAID THAT, HE WAS PROBABLY RIGHT.

IPS -- WELL YOU JUST ANSWERED PART OF MY QUESTION. WOULD YOU PLEASE CLARIFY ONCE AND FOR ALL WHAT ROLE YOU THINK ALGERIA AND IRAQ PLAYED IN THE NEGOTIATIONS?

MOYNIHAN PROCEEDED TO GIVE A LONG STATEMENT OBVIOUSLY BASED PRIMARILY ON A STATE DEPARTMENT PRINT-OUT AND HAVING LITTLE TO DO WITH REALITY, SAYING THAT THERE WERE LARGE "DIVISIONS" WITHIN THE GROUP OF 77 BETWEEN THE "MODERATE NATIONS" AND THE MORE "RADICAL" ELEMENTS. "IT IS NOT FOR US TO COMMENT ON WHICH SIDE," NATIONS STOOD WITHIN THE GROUP OF 77, THE AMBASSADOR STATED. HE WENT ON, THERE WERE SEVERAL NATIONS WHICH "THOUGHT THERE WAS NOT ENOUGH TO BE GAINED THROUGH NEGOTIATIONS", THEY THEREFORE ATTEMPTED TO CONVINCING OTHER NATIONS NOT TO ENGAGE IN SERIOUS DIALOGUE.

HOWEVER, THE "STRONGER VOICES" OF THE MODERATE NATIONS DOMINATED AND A "CONSTRUCTIVE" RESOLUTION WAS ADOPTED BY THE SESSION'S DELEGATES, MOYNIHAN FANTASIZED.

#### IPS ECONOMIC ANALYSIS

##### ECONOMY HADED FOR BUST - EVEN BY GOVT'S FIGURES

SEPT. 16 (IPS)--BUSINESS INVENTORY AND INDUSTRIAL PRODUCTION FIGURES RELEASED YESTERDAY BY COMMERCE DEPARTMENT AND THE FEDERAL RESERVE BOARD, RESPECTIVELY, CONFIRM THAT THE U.S. ECONOMY IS IN THE MIDST OF A SHORT-TERM BOOM-BUST CYCLE THAT WILL END IN DEPRESSION COLLAPSE.

(MORE)

THE RELEASE OF JULY INVENTORY FIGURES SHOW THAT DESPITE A .6 PER CENT DECLINE AT THE MANUFACTURING LEVEL AND A .5 PER CENT DECLINE AT THE WHOLESALE LEVEL, STOCKS INCREASED A SHARP .9 PER CENT AT THE RETAIL LEVEL. THIS MARKS THE SECOND MONTH IN A ROW THAT INVENTORY STOCKS HAVE "BACKED-UP" AT THE RETAIL LEVEL. THE COMMERCE DEPARTMENT ANNOUNCEMENT OF LAST WEEK THAT AUGUST RETAIL SALES DROPPED A STEEP .8 PER CENT MORE THAN GUARANTEES THAT THERE WILL BE A BACK-UP OF RETAIL INVENTORIES FOR A THIRD MONTH.

IN RESPONSE TO THIS RETAIL INVENTORY ACCUMULATION ONE YEAR AGO, RETAILERS SLASHED ORDERS FROM WHOLESALERS WHO IN TURN SLASHED ORDERS FROM MANUFACTURERS, WHO IN RESPONSE COLLAPSED PRODUCTION. AUGUST'S 1.3 PER CENT INCREASE IN INDUSTRIAL PRODUCTION WILL BE AN EXTREMELY SHORT-LIVED PHENOMENON.

#### AGNELLI-PCI CONSPIRACY PUBLICLY DENOUNCED

SEPT. 16 (IPS)--VITO SCALIA, THE RIGHT-WING LEADER OF THE CATHOLIC ITALIAN TRADE UNION FEDERATION (CISL) HAS PUBLICLY CHARGED TODAY THAT THE ITALIAN COMMUNIST PARTY (PCI) AND ITS TRADE UNION WING ARE INVOLVED IN AN UNHOLY ALLIANCE WITH LARGE INDUSTRIALISTS LED BY GIANNI AGNELLI.

ACCORDING TO THE ITALIAN FINANCIAL DAILY IL FIORINO SCALIA DISCLOSES THAT THIS BLOC THAT THIS CONSPIRACY IS TAKING PLACE WITH "THE REALIZATION OF A NEW SOCIAL BLOC THAT INVOLVES LARGE CAPITAL AND THE TRADE UNION ELEMENTS CLOSEST TO THE PCI." SCALIA SPECIFIED THAT IN ORDER TO ACHIEVE THEIR ENDS, "THE PCI AND ITS ALLIES MUST ABOVE ALL GAG THE PUBLIC EMPLOYEES, REDUCING THEIR CAPACITY TO FIGHT" AND THEREFORE WILLINGLY DESERTING THEM TO THE FASCIST-LED AUTONOMIST TRADE UNIONS. SCALIA FURTHER DISCLOSED THAT "WITHIN CONFINDUSTRIA (INDUSTRIALISTS' CONFEDERATION) ALL THE DECISIONS OF AGNELLI HAVE MET WITH THE MANIFEST OPPOSITION OF THE (MIDDLE-LAYER) ENTREPRENEURS" WHO ALSO SEE THEMSELVES AS BEING SQUEEZED OUT.

#### WEST GERMANS UNIONS SAY NO TO WAGE FREEZE, WORKING CLASS SACRIFICES

SEPT. 16 (IPS)--A COMBINED MASS MEETING OF THE WEST GERMAN POSTAL, RAILWAY, AND PUBLIC SERVICE UNIONS AT THE PEOPLES EDUCATIONAL BUILDING IN FRANKFURT, WEST GERMANY, TOTALLY BACKED THE DEMAND BY THE WAGE COMMISSION OF THE PUBLIC SERVICE UNION THAT THERE CAN BE NO WAGE FREEZE, OR SACRIFICE FOR ANY WORKER. AT THE SAME MEETINGS, OVER FOUR HUNDRED SHOP STEWARDS STATES, THAT AS FAR AS THEY WERE CONCERNED, THEIR CONTRACTS WERE NO LONGER BINDING.

THE WEST GERMAN RAILWAY WORKERS UNION HAS ALREADY PUBLICLY CALLED FOR A DEBT MORATORIUM ON RAILROAD DEBT.

STRAUSS DISCUSSES WEST-GERMAN-CHINESE TRADE

SEPT. 16 (IPS)--IN HIS FIRST STATEMENT OF HIS PEKING TOUR, FASCIST FRANZ JOSEF STRAUSS, THE CHAIRMAN OF THE BAVARIAN CHRISTIAN SOCIAL UNION PARTY, SAID THAT THE WEST GERMAN OPPOSITION PARTIES FAVOR THE EXPANSION OF CHINESE-WEST GERMAN TRADE RELATIONS, AND THAT THE OPPOSITION COULD "GO MUCH FARTHER" IN THIS QUESTION THAN THE PRESENT FEDERAL GOVERNMENT. STRAUSS WAS GREETED IN PEKING BY THE VICE-PRESIDENT OF THE CHINESE COUNCIL FOR THE PROMOTION OF FOREIGN TRADE, WHICH IS HOSTING HIS TRIP.

SPIEGEL, VOERWARTS CALL FOR INCREASED ARMS TRADE

SEPT. 16 (IPS)--THIS WEEK'S ISSUE OF DER SPIEGEL, THE WEST GERMAN NEWS MAGAZINE, AND VOERWARTS, THE WEEKLY PAPER OF THE WEST GERMAN SOCIAL DEMOCRATIC PARTY, BOTH CLAIM THAT JOBS CAN BE CREATED BY INCREASING WEST GERMAN ARMS MANUFACTURE AND EXPORT.

DER SPIEGEL ALSO CLAIMS THAT CHRISTIAN DEMOCRATIC UNION LEADER FRANZ JOSEF STRAUSS HAS BEEN TRAVELLING TO FOREIGN COUNTRIES TO GET ARMS ORDERS, BUT HAS BEEN HINDERED BY THE WEST GERMAN GOVERNMENT. STRAUSS IS CURRENTLY IN PEKING.

KISSINGER SAYS CHINA LACKS CREDIBILITY IN THIRD WORLD

SEPT. 16 (IPS)--U.S. SECRETARY OF STATE, HENRY KISSINGER RECENTLY ASSERTED THAT THE PEOPLE'S REPUBLIC OF CHINA HAS NO INFLUENCE EITHER IN EUROPE OR IN THE MIDDLE EAST.

KISSINGER ADDED, MOREOVER, THAT CHINA HAS EQUALLY FAILED TOTALLY IN HER ATTEMPT TO BECOME UNDISPUTED LEADER OF THE THIRD WORLD, AND HE CITED THE FACT THAT AT THE UNITED NATIONS AND AT RECENT CONFERENCES OF UNDERDEVELOPED COUNTRIES (LIMA-ED.), CHINA HAS NOT BEEN ABLE TO INFLUENCE EITHER THE COURSE OF THE DISCUSSIONS OR THE DECISIONS TAKEN, DESPITE THE HOPES AND EXPECTATIONS OF THE PEKING LEADERS. KISSINGER ALSO DISMISSED THE CHINESE ARMED FORCES AS GOOD ONLY FOR DEFENSE, BUT WORTHLESS IN TERMS OF OFFENSIVE CAPABILITY. ACCORDING TO THE LONDON DAILY TELEGRAPH, CHINA'S RESPONSE HAS BEEN TO GIVE KISSINGER AN INCREASINGLY COLD SHOULDER.

KISSINGER MADE HIS REMARKS IN A LONDON DAILY TELEGRAPH REPORT OF AN OFF-THE-RECORD BRIEFING HE GAVE ON THE TOPIC "WHAT HAS CHINA GOT TO GIVE THE UNITED STATES?"

IRONICALLY, FOR ONCE, KISSINGER IS COMPLETELY CORRECT IN HIS ASSESSMENT. IT CAN BE EXPECTED THAT CHINA WILL PLAY A DECREASINGLY IMPORTANT ROLE IN U.S. POLICY DECISIONS AS THE CREDIBILITY OF CHINA AS AN ANTI-SOVIET BEACON FOR THE THIRD WORLD IS HOPELESSLY WRECKED.

SOCIAL FASCISTS, MAOISTS IN UNITED FRONT  
AGAINST PORTUGUESE REVOLUTION

FRANKFURT, BRD, SEPT. 16 (IPS)--NEW EVIDENCE THAT THE AMERICAN AGENTS IN THE WEST GERMAN SOCIAL DEMOCRACY (SPD) ARE NOW DISBANDING THE SPD YOUTH ORGANIZATION, THE JUSOS, AND REPLACING IT WITH MAOIST POLICE GANGS, CAME FORWARD LAST NIGHT AT THE JOINT RALLY OF SPD HEAD WILLY BRNADI AND HIS PORTUGUESE "SOCIALIST" COUNTERPART, MARIO SOARES. ATTENDANCE AT THE RALLY, ORIGINALLY PLANNED AS A JUSO ORGANIZING EVENT, WAS LIMITED TO FEWER THAN A THOUSAND TRUSTED SPD UNION BUREAUCRATS AND HOODLUMS FROM THE MAOIST KPD-ML WHO CIRCULATED FREELY INSIDE THE RALLY DISTRIBUTING PRO-SOARES LEAFLETS. OUTSIDE, SOME 500 MAOISTS SHOUTING ANTI-SOVIET SLOGANS WERE EGGED ON TO CONFLICTS WITH RIOT POLICE BY DANIEL COHN BENDIT, THE WELL-KNOWN EUROPEAN ANARCHIST.

THE KPD-ML LEAFLET ATTACKED BOTH THE PORTUGUESE AND WEST GERMAN COMMUNIST PARTY AS THE "FIFTH COLUMNISTS OF SOCIAL IMPERIALISM," AND CALLED FOR THE STRENGTHENING OF NATO. BOTH BRANDT AND SOARES STRESSED THAT THE MAIN FUNCTION OF THE PORTUGUESE "SOCIALISTS" IS TO PREVENT THE COMMUNISTS FROM COMING TO POWER.

SOARES HAD HIS SPEECH INTERRUPTED BY TWO PORTUGUESE WORKERS WHO UNROLLED A BANNER IN FRONT OF HIM SAYING, "SOCIALISM YES, SOARES NO". THE TWO WERE IMMEDIATELY OVERWHELMED BY MAOIST GOONS LED BY KARSTEN VOIGT, A FORMER CHAIRMAN OF THE JUSOS.

VIRTUALLY NO JUSOS ATTENDED THE EVENT.

MAOIST KPD IN FASCIST ASSAULTS ON EUROPEAN LABOR PARTY

WIESBADEN, BRD, SEPT. 16 (IPS)--TEN TO TWELVE MAOIST THUGS FROM THE KPD-ML LAUNCHED A VICIOUS PHYSICAL ASSAULT AGAINST TWO WOMEN ORGANIZERS FROM THE EUROPEAN LABOR PARTY (EAP) AT THE UNEMPLOYMENT OFFICE IN BREMEN THIS MORNING, BEATING THEM AND BREAKING ONE OF WOMAN'S FRONT TEETH. AFTER BEING CALLED BY THE EAP, THE POLICE ARRIVED LATE AND REFUSED TO ARREST THE FASCIST THUGS.

THIS FURTHER ATTACK COMES AS A PART OF A NATIONWIDE CAMPAIGN BY THE MAOISTS AGAINST THE EAP'S GROWING INFLUENCE AND DISCLOSURE OF LINKS BETWEEN THE MAOISTS AND THE AMERICAN AGENT WING OF THE GERMAN SOCIAL DEMOCRACY.

THE EAP, WHICH IS CURRENTLY CONDUCTING AN ELECTORAL CAMPAIGN THE BREMEN STATE ELECTIONS, HAS PRESSED CRIMINAL CHARGES AGAINST THE MAOISTS AND WILL LODGE OFFICIAL COMPLAINTS AGAINST THIS DISRUPTION OF THE DEMOCRATIC PROCESS BOTH NATIONALLY AND WITH THE BREMEN SENATE.

USLP CANDIDATE BLASTS NSC/LEVI CONTROL  
OF CHICAGO DRUG RUNNING

SEPT. 16 (IPS9--U.S. LABOR PARTY CANDIDATE FOR GOVERNOR OF ILLINOIS IN 1976, ED WAFFLE, TODAY PRESENTED THE CHICAGO TRIBUNE AND SEVERAL RADIO STATIONS WITH A USLP "FACT SHEET" FULLY DOCUMENTING THE KISSINGER-LED NATIONAL SECURITY COUNCIL (NSC) AND U.S. ATTORNEY EDWARD LEVI'S OPERATIONAL CONTROL OF CHICAGO DRUG RUNNING CONDUCTED THROUGH COMMUNITY METHADONE CENTERS. WAFFLE POINTED TO ILLINOIS GOVERNOR DAN WALKER, THE U.S. ATTORNEY'S OFFICE AND THE COOK COUNTY PROSECUTOR AS THE LEVI/KISSINGER MEN ON THE SCENE, WHO HAVE RESPECTIVELY MULTIPLIED METHADONE CENTERS AND SQUASHED ANY ATTEMPTS TO INVESTIGATE THEM.

WAFFLE DETAILED WALKER'S USE OF STATE NATIONAL INSTITUTE OF MENTAL HEALTH AND LEAA FUNDS TO SET UP AN ASTRONOMICAL NUMBER OF METHADONE THERAPY CENTERS SUCH AS THE DRUG ADDICTION REHABILITATION CENTER (DARC) RUN OUT OF THE ILLINOIS DEPT. OF MENTAL WHICH IS NOT UNDER EXTREMELY RELUCTANT INVESTIGATION BY THE U.S. ATTORNEY'S OFFICE IN CHICAGO ON DRUG CHARGES. EARLIER THIS YEAR, THE U.S. ATTORNEY'S CHICAGO OFFICE WAS DIRECTED FROM WASHINGTON TO SQUASH AN INVESTIGATION OF A THAILAND DRUG RING IN THE INTERESTS OF "NATIONAL SECURITY," ACCORDING TO THE CHICAGO DAILY NEWS. IN THE MOST RECENT DOCUMENTATION OF DRUG RUNNING AT THE WEST SIDE DARC, THE COOK COUNTY PROSECUTOR REFUSED TO INVESTIGATE FIRST HAND EVIDENCE COLLECTED BY THE INDEPENDENT INVESTIGATORY METROPOLITAN ENFORCEMENT GROUP, BECAUSE THERE WAS "NO EVIDENCE."

JUST PRIOR TO THE PRESS CONFERENCE HELD AT THE ILLINOIS STATE BUILDING, WAFFLE PRESENTED GOVERNOR WALKER WITH THE NEWLY ISSUED FACT SHEET. WALKER CREATED A STIR AMONG REPORTERS PRESENT SHOUTING "THIS IS THE MOST PREPOSTEROUS THING I'VE EVER HEARD," AND THEN JUMPED INTO AN ELEVATOR WHILE HIS SECURITY GUARD SHOVED WAFFLE.

SEMI-OFFICIAL EGYPTIAN PRESS WORRIES  
CAN ASSAD CONTROL BAATHISTS

SEPT. 16 (IPS9--IN AN "OPPOSITE EDITORIAL" IN THE SEPT. 17 AL-AHRAM, THE SEMI-OFFICIAL EGYPTIAN DAILY, ADMINISTRATIVE DIRECTOR IHSAN ABDEL KUDDAS EXPRESSES EGYPTIAN PRESIDENT ANWAR SADAT'S FEARS ABOUT THE ABILITY OF THE SYRIAN PRESIDENT ASSAD IN CONTINUING TO CONTAIN THE SYRIAN BAATH PARTY. KUDDAS SAYS THAT UNTIL NOW, "PRESIDENT SADAT CAME TO RELY COMPLETELY ON HIS FRIENDSHIP TO ASSAD IN FACING THE ATTITUDES AND MOVES OF THE PARTY...", BUT GROWING RESISTANCE INSIDE THE PARTY IS WRECKING "THE JOINT LEADERSHIP BETWEEN SADAT AND ASSAD." THE PARTY'S MOVES ARE REPORTED BY KUDDAS TO BE EXPLOITED BY THE SOVIET UNION, IN ITS OWN INTERESTS. SIGNS OF OPPOSITION TO ASSAD INSIDE THE SYRIAN BAATH PARTY APPEARED IN A MUTINY OF THE ARMY AGAINST ASSAD'S ORDERS TO STOP THE FIGHT ON THE GOLAN HEIGHTS, DURING OCTOBER 1973 WAR.

## BRAZIL AGAINST DEBT MORATORIUM AT UN

SEPT. 16 (IPS)--THE FOREIGN MINISTER OF BRAZIL, MR. AZEVEDO DA SILVEIRA, DECLARED THAT HIS GOVERNMENT IS UNEQUIVOCALLY AGAINST THE GROUP OF 77 NATIONS' DEMAND FOR A JOINT MORATORIUM ON THE UNDERDEVELOPED SECTOR'S FOREIGN DEBT. BRAZIL IS NOW PAYING CLOSE TO \$10 MILLION A DAY TO MEET AMORTIZATION PAYMENTS ON ITS FOREIGN DEBT. ACCORDING TO THE INFLUENTIAL DAILY, O ESTADO DE SAO PAULO, THE FOREIGN MINISTRY HAS MADE IT CLEAR THROUGH ITS DIPLOMATIC CIRCUIT THAT A DEBT MORATORIUM "WOULD NOT GO TO THE CORE OF THE PROBLEM."

MR. SILVEIRA'S CLOSE ASSOCIATE IN THE FINANCE MINISTRY, HENRIQUE SIMONSEN, HAS REPEATEDLY EMPHASIZED, HOWEVER, THAT THE CORE OF BRAZIL'S PROBLEMS IS CENTERED IN THE DETERIORATING BALANCE OF PAYMENTS SITUATION, IN WHICH THIS YEAR'S DEBT SERVICE OF NEARLY \$3.6 BILLION FIGURES PROMINENTLY.

BRAZIL'S CHIEF AGRICULTURAL STATE  
THREATENED WITH DROUGHT

SEPT. 16 (IPS)--THE MOST SEVERE DROUGHT IN THE PAST FIVE YEARS IS THREATENING THE RURAL POPULATION IN THE PRINCIPAL BRAZILIAN AGRICULTURAL STATE, SAO PAULO, WITH VIRTUAL STARVATION IF IT CONTINUES.

ACCORDING TO BRAZIL'S LEADING NEWSPAPER, O ESTADO DE SAO PAULO, THE CATTLE HERD IS DYING SINCE THE PASTURES HAVE DRIED UP. THE SEVERE DROUGHT HAS ALREADY DELAYED THE NEXT PLANTING, DRASTICALLY INCREASING THE ALREADY HIGH RURAL UNEMPLOYMENT OF THE STATE DUE TO THE WINTER DESTRUCTION OF THE COFFEE CROP.

WITH NO SOLUTION IN SIGHT, "WOMEN AND CHILDREN ARE DESPERATELY ORGANIZING PROCESSIONS EVERY DAY AND FORCING THEMSELVES TO WALK BAREFOOT FOR SEVERAL KILOMETERS UNDER A SCORCHING SUN, BELIEVING THAT ONLY BY SUCH ACTS OF PENANCE CAN THE SITUATION BE CHANGED," O ESTADO ADDED.

SOVIETS ATTACK MAOIST FACTION  
OF JAPANESE SOCIALIST PARTY

SEPT. 16 (IPS)--THE SOVIET NEWSPAPER IZVESTIA HAS SHARPLY ATTACKED THE PRO-PEKING FACTION OF THE JAPANESE SOCIALIST PARTY (JSP) FOR TRYING TO FORCE THE JSP TO TAKE AN ANTI-SOVIET POLICY LINE, CONTRADICTING THE PARTY'S OFFICIAL POSITIONS WHICH HAVE BEEN MANDATED BY THE MEMBERSHIP AT PARTY CONGRESSES.

WRITING ON SEPT. 13, IZVESTIA'S TOKYO CORRESPONDENT REPORTS THAT "THE COMING 30TH ANNIVERSARY OF THE SOCIALIST PARTY IS APPROACHING UNDER COMPLEX CIRCUMSTANCES, DUE TO THE ATTEMPTS OF SOME JSP FIGURES TO REVISE THE FOREIGN POLICY SECTION OF THE PARTY PROGRAM, TO DRAW JAPANESE SOCIALISTS TOWARD A DOCTRINE AND THESE DEVELOPED IN PEKING--AND ESSENTIALLY TO TURN THE PARTY INTO A JAPANESE AFFILIATE OF MAOISM."

NATO TRIES SOME PSYWAR ON SOVIETS

SEPT. 16 (IPS)--THE WEST GERMAN DEFENSE MINISTRY IS INVITING ALL HELSINKI CONFERENCE PARTICIPANTS, INCLUDING WARSAW PACT NATIONS, TO OBSERVE NATO "CERTAIN TREK" MILITARY MANEUVERS IN MID-OCTOBER, PART OF THE "REFORGER" ("REDEPLOYMENT OF FORCES TO GERMANY") EXERCISES. THE INVITATION OF SOVIET BLOC OBSERVERS IS A HISTORIC FIRST, ACCORDING TO THE SEPT. 11 CHRISTIAN SCIENCE MONITOR, AND WAS DECIDED UPON OVER SOME OPPOSITION WITHIN THE NATO ALLIANCE.

NATO IS CURRENTLY CONDUCTING EXTENSIVE MILITARY MANEUVERS, PART OF THE "REFORGER" EXERCISES, UNDER THE NAME OF AUTUMN FORGE TO DEMONSTRATE WESTERN SOLIDARITY IN THE WAKE OF THE RECENTLY CONCLUDED EUROPEAN SUMMIT AT HELSINKI. #### PONIA: A PACHYDERM WITH A TENUOUS THREAD OF A VOICE

SEPT. 16 (IPS)--LE POINT, MAGAZINE OF THE FRENCH GAULLISTS, THIS WEEK RALLIED TO SUPPORT THE FRENCH COMMUNIST PARTY'S CAMPAIGN TO PROVE THAT INTERIOR MINISTER MICHEL PONIATOWSKI IS UNFIT FOR OFFICE. FOLLOWING A CLOSE PSYCHOLOGICAL STUDY OF THE MINISTER, LE POINT DESCRIBES THE POLSIH PRINCE AS "200 POUNDS OF FLESH, CORNFLOWER EYES, THE BLUSHINGS OF A YOUNG GIRL, INFANTILE FATNESS.... HIS RAGE IS DELIBERATE, COLD AND PREMEDITATED LIKE THOSE HE WOULD DECIDE TO HAVE WHEN HE CORRECTED HIS FOUR CHILDREN BY HITTING THEM ON THE FINGERS WITH A RULER." HOWEVER, PONIA IS AN EXTREMELY "SENSITIVE" MAN, SAYS LE POINT. IN PUBLIC HE "POURS" HIS SENSITIVITY ON HIS CAMPAIGN OF 20 YEARS, FRENCH PRESIDENT GISCARD D'ESTAING, AND IN PRIVATE RESORTS TO OBSESSIVE PETTING OF HIS DOG AND FLOWERS.

IN FACT, AFTER 20 YEARS OF SUCH CLOSE FRIENDSHIP, PONIA HAS BECOME "MORE THAN A COUNSELLOR (TO THE PRESIDENT), BUT A PRESENCE, A LOOK AND A REASSURING WITNESS...WHOSE FAILURE WOULD NOT ONLY BE THAT OF THE GOVERNMENT OR THE GISCARDIAN PARTY, IT WOULD BE THE FAILURE OF THE PRESIDENT HIMSELF."

SHANKER HAD BEEN BRIEFED ON A DEBT MORATORIUM AS THE ONLY SOLUTION TO THE FISCAL CRISIS.

THE NEW CONTRACT ELIMINATES TWO OUT OF THREE WEEKLY TEACHER PREPARATION PERIODS AND REDUCES THE SCHOOL WEEK FOR STUDENTS BY ONE-AND-ONE-HALF HOURS. IT ALLOWS THE UNION TO PAY \$25 MILLION IN FINES UNDER THE ANTI-LABOR TAYLOR LAW, WHICH BANS PUBLIC EMPLOYEE STRIKES, WITH WHICH THE UFT HOPES THE BOARD OF EDUCATION WILL REHIRE 2,000 OF THE MORE THAN 14,000 LAID-OFF TEACHERS.

ATF PLANNING COVER-UP  
OF PORTUGUESE FASCIST GUN-RUNNING

EAST ORANGE, N.J., SEPT. 17 (IPS) -- FOLLOWING THE WIDE USLP EXPOSURE OF GUN-RUNNING FROM HARTFORD COLT THROUGH PORTUGUESE FASCISTS IN NEWARK'S EAST WARD TO FASCISTS IN PORTUGAL, ALCOHOL, TOBACCO AND FIREARMS AGENT MR. DOUGLASS VISITED THE LABOR PARTY OFFICE YESTERDAY TO ASCERTAIN JUST HOW MUCH THE LABOR PARTY KNEW OF THESE OPERATIONS.

DOUGLASS SUGGESTED THAT THE LABOR PARTY SHOULD NOT DISCUSS THE MATTER WITH THE PROSECUTOR'S OFFICE AND OTHER AGENCIES BECAUSE, "THERE ARE PROBABLY PEOPLE IN THESE AGENCIES WHO MIGHT GET WORD BACK TO THE PEOPLE INVOLVED IN THE GUN-RUNNING." THIS HE HELPFULLY POINTED OUT "MIGHT MAKE INFILTRATION DIFFICULT OR IMPOSSIBLE." LATER DURING THE VISIT DOUGLASS SLIPPED, ACKNOWLEDGING THAT HE "USED TO HANG AROUND THE EAST WARD."

IN RELATED DEVELOPMENTS, THE USLP BRIEFED EAST WARD COUNCILMAN MARTINEZ AND ESSEX COUNTY PROSECUTOR LORDIX ON THE GUN-RUNNING ACTIVITIES WITHIN THEIR JURISDICTIONS. BOTH HYSTERICALLY REFUSED TO INVESTIGATE AND THEN ADMITTED TO KNOWING THE PERSONS INVOLVED IN THE GUN-RUNNING. MARTINEZ HIMSELF WAS ACCUSED OF FUNNELING GUNS TO "RADICAL" GROUPS A FEW YEARS AGO.

FORD DEFIES HOUSE COMMITTEE SUBPEONA

SEPT. 17 (IPS) -- PRESIDENT FORD YESTERDAY ANNOUNCED HIS INTENTION TO DEFY A SUBPEONA ORDERING HIM TO TURN OVER CLASSIFIED DOCUMENTS ON THE VIETNAM WAR TO THE HOUSE SELECT COMMITTEE ON INTELLIGENCE, ACCORDING TO TODAY'S NEW YORK TIMES. FORD'S REFUSAL TO COMPLY WITH THE SUBPEONA BY 10 A.M. TODAY IS PREDICATED ON THE COMMITTEE'S REFUSAL TO CHANGE ITS OPERATING PROCEDURES.

COMMITTEE CHAIRMAN OTIS PIKE (D-NY) SAID YESTERDAY AFTER THE PRESIDENT'S REMARKS AT A NEWS CONFERENCE THAT HE WOULD OPPOSE A COMPROMISE ON EITHER THE RIGHT OF CONGRESS TO DECLASSIFY MATERIAL CLASSIFIED BY THE EXECUTIVE BRANCH OR THE RIGHT OF CONGRESS TO SUBPEONA AND OBTAIN PRESIDENTIAL DOCUMENTS. IF FORD FAILS TO TURN OVER THE REQUESTED DOCUMENTS TODAY, PIKE TOLD A REPORTER, "THE ONLY THING WE CAN DO IS TO GO INTO COURT, AND IT WILL BE MY RECOMMENDATION THAT WE DO." PIKE HAS ALSO REFUSED TO RELINQUISH CLASSIFIED DOCUMENTS IN THE COMMITTEE'S POSSESSION AS PER FORD'S ORDER LAST WEEK.

THE MOST SERIOUS CONSTITUTIONAL CONFRONTATION BETWEEN THE LEGISLATIVE AND EXECUTIVE BRANCHES SINCE THE WATERGATE SCANDAL, WHEN PRESIDENT NIXON REFUSED TO TURN OVER DOCUMENTS AND TAPES SUBPEONAED BY THE SENATE WATERGATE COMMITTEE AND THE HOUSE JUDICIARY COMMITTEE, IS BEING USED BY THE ROCKEFELLER ADMINISTRATION TO REVIVE THE LEGISLATION OF A POLICE STATE VIA PASSAGE OF THE NOTORIOUS SENATE BILL 1 (S.1). AT HIS PRESS CONFERENCE YESTERDAY, FORD UNVEILED THE ROCKEFELLER STRATEGY WHEN HE SAID, "I THINK IT IS FAIR TO POINT OUT... THAT SOME OF THE (CLASSIFIED) MATERIAL (RELEASED BY THE COMMITTEE) IS SPECIFICALLY PROTECTED BY LAW, AND IF A PRIVATE CITIZEN WERE TO RELEASE THAT INFORMATION INVOLVING COMMUNICATIONS INTELLIGENCE, IT WOULD BE CRIMINAL - A SERIOUS CRIMINAL OFFENSE." S.1 SPECIFICALLY PROVIDES FOR STRICT PENALTIES TO CITIZENS, PUBLIC OFFICIALS, AND PRESS PERSONNEL WHO MAKE PUBLIC INFORMATION OR CRIMES RELATED TO NATIONAL SECURITY.

WHILE FORD STOPPED SHORT OF ACTUALLY ACCUSING CONGRESS OF A CRIMINAL ACTION IN ITS RELEASE OF FOUR UNAUTHORIZED WORDS FROM A CLASSIFIED DOCUMENT LAST WEEK, THE IMPORT OF HIS REMARKS WAS MADE CLEAR BY THE RECENT FLURRY OF ACTIVITY BY ROCKEFELLER AGENTS IN CONGRESS. IPS LEARNED TODAY THAT S.1 WILL BE REPORTED OUT OF A SENATE SUBCOMMITTEE TO THE JUDICIARY COMMITTEE IN THE NEXT TWO WEEKS. ROCKEFELLER ENFORCER HUGH SCOTT (R-PA), AN ARDENT SUPPORTER OF THE BILL, YESTERDAY AGREED TO GREASE THE LEGISLATIVE MACHINERY FOR PASSAGE OF THE MEASURE BY ENDORSING A SET OF "LIBERALIZING" AMENDMENTS ATTACHED BY BIRCH BAYH (D-IND). THESE AMENDMENTS ARE DESIGNED TO MAKE THE BILL MORE PALATABLE TO CONGRESS, WHICH HAS TO DATE REFUSED TO MOVE ON THE LEGISLATION.

END OF EARLY IPS FOR SEPTEMBER 17, 1975.

### FORD-PIKE CONFRONTATION CONTINUES

SEPT. 18 (IPS)—REP. OTIS PIKE (D-NY), CHAIRMAN OF THE HOUSE SELECT COMMITTEE ON INTELLIGENCE, YESTERDAY REFUSED TO ACCEPT A LAST-MINUTE OFFER OF CLASSIFIED MATERIALS FROM THE WHITE HOUSE BECAUSE THEY HAD BEEN CENSORED IN ADVANCE AND DELIVERED ON THE CONDITION THAT THEY NOT BE MADE PUBLIC. HOWEVER, PIKE RENOUNCED HIS INTENTION TO TAKE THE PRESIDENT TO COURT TO FORCE HIS COMPLIANCE WITH A COMMITTEE SUBPOENA, ACCORDING TO A REPORT IN TODAY'S NEW YORK TIMES. INSTEAD, PIKE DEMURRED, "IF WE FIND IT NECESSARY TO INSTITUTE LEGAL PROCEEDINGS AT A LATER DATE, I THINK WE WOULD NOT SHRINK FROM DOING SO."

IN THE MEANTIME, THE PIKE COMMITTEE ADOPTED A NEW PROCEDURE WHICH WOULD GIVE THE WHITE HOUSE A DAY'S NOTICE BEFORE MAKING PUBLIC ANY SENSITIVE CLASSIFIED INFORMATION. WHILE RESERVING THE COMMITTEE'S RIGHT TO MAKE PUBLIC MATERIAL WITHOUT EXECUTIVE APPROVAL, PIKE SAID, "I HOPE THIS WILL SATISFY THEM, BUT I'M NOT AT ALL SURE."

#### NY TIMES DEFENDS CONGRESS

SEPT. 18 (IPS)--"IN THE DEEPEST SENSE THE SAFETY OF LIBERTY IN THIS COUNTRY RESTS ON RESPECT FOR THE SEPERATION OF POWERS - ON CONGRESS AS A BALANCE TO THE GROWTH OF PRESIDENTIAL POWER," NEW YORK TIMES COLUMNIST ANTHONY LEWIS INTONES TODAY. OTIS PIKE'S PRALLEL HOUSE COMMITTEE FOR ITS STUBBORN INSISTENCE ON CONDUCTING INVESTIGATIONS ON ITS OWN TERMS.

"THE LARGER POINT UNDERLYING THRIUS INTELLGENCE INQUIRIES," LEWIS CONTINUES, "IS THE NEED FOR ACCOUNTABILITY. INTELLIGENCE AGENCIES DO NEED PRIVACY, BUT OUR SYSTEM REQUIRES THAT THEY BE ULTIMATELY ACCOUNTABLE TO A DETACHED SCRUTINEER, WHICH IS CONGRESS."

A COMPANION TIMES EDITORIAL ENTITLED "SON OF WATERGATE" ECHOES LEWIS' REMARKS AND SUGGESTS THAT THE EXECUTIVE-PROVOKED CONSTITUTIONAL CONFRONTATION BETWEEN WHITE HOUSE AND CONGRESS IS DESIGNED TO PREVENT THE PIKE COMMITTEE "FROM DELVING AS DEEPLY AS IT SHOULD INTO THE SHADOWLAND OF INTELLIGENCE ACTIVITIES."

#### WEST GERMAN BUSINESSMEN CONSIDER ENDING ECONOMIC BLOCKADE

SEPT. 20 (IPS)--ARTICLES APPEARING YESTERDAY IN TWO PRESTIGIOUS WEST GERMAN NEWSPAPERS SUGGEST THE POSSIBILITY THAT INDUSTRIAL FACTIONS IN THAT COUNTRY ARE BREAKING AWAY FROM THE KISSINGER-CARLUCCI ECONOMIC BLOCKADE AGAINST PORTUGAL.

HANDELSBLATT, THE DUESSELDORF NEWSPAPER OF RUHR INDUSTRIAL CARBONS, FEATURED AN INTERVIEW WITH THE HEAD OF THE LISBON OFFICE OF THE GERMAN-PORTUGUESE CHAMBER OF COMMERCE FRITZ HASER. HASER INSISTED THAT PORTUGAL'S NATIONALIZATION OF THE IMPORT-EXPORT TRADE DID NOT THREATEN FOREIGN CAPITAL, AND THAT PORTUGUESE EXPORTS TO WEST GERMANY HAD JUMPED TO 31 PERCENT IN THE FIRST HALF OF 1975, INDICATING THAT WEST GERMANY HAD NOT BEEN AS ACTIVE IN SABOTAGING THE PORTUGUESE ECONOMY AS CERTAIN OTHER CAPITALIST COUNTRIES. THE ARTICLE URGED THE PORTUGUESE GOVERNMENT TO CARRY THROUGH AN ECONOMIC PROGRAM FEATURING INTENSIFIED INVESTMENT IN NATIONALIZED INDUSTRY (FROM WHICH WEST GERMANY WOULD BE THE FIRST TO PROFIT).

FRANKFURTER ALLGEMEINE ZEITUNG, NEWSPAPER OF WEST GERMAN BANKERS, NOTED THE SHORTAGE OF FOREIGN EXCHANGE HOLDINGS IN PORTUGAL BUT IF PORTUGAL SOLD ITS CENTRAL BANK GOLD HOLDINGS AT FREE MAR-

(MORE)

KET PRICES, THE ALLGEMEINE ZEITUNG NOTES, THIS WOULD PROVIDE EIGHT TO NINE MILLION DEUTSCHMARKS. ALTERNATIVELY THE GOLD COULD BE USED AS COLLATERAL FOR AN "ITALIAN" LOAN SIMILAR TO THE WEST GERMAN \$2 BILLION LOAN TO ITALY A YEAR AGO, USING ITALIAN CENTRAL BANK GOLD AS COLLATERAL, THE PAPER SAYS.

#### PORTUGUESE FARMERS BATILE FOR AGRARIAN REFORM

AT AN ASSEMBLY IN EVORA, PCP'ER ANTONIO MURTEIRA WARNED THAT "FOR EVERY ASSAULT THE REACTIONARIES CARRY OUT AGAINST AGRO-CO-OPERATIVES OR THE HEADQUARTERS OF PROGRESSIVE UNIONS, FIVE OR SIX FASCIST HOUSES WILL BE DESTROYED." AFTER THE ASSEMBLY, STRIKERS MARCHED TO THE EVORA INFANTRY HEADQUARTERS SHOUTING, "VASCO WILL RETURN!" IN BEJA, RURAL WORKERS HAVE ELECTED TO CONTINUE THEIR STRIKE UNTIL THE GOVERNMENT ANSWERS THEIR DEMANDS FOR AGRARIAN REFORM.

MEANWHILE, THE MILITARY HAS RETURNED THE CATTLE THAT WERE STOLEN BY LARGE LANDOWNERS TO THE PORTOALEGRE WORKERS. AS A FURTHER RESULT OF THIS MOBILIZATION, THE GOVERNMENT HAS EXPROPRIATED 203 RURAL PROPERTIES, MOST OF THEM IN EVORA AND PORTOALEGRE REGIONS. THIS INFORMATION WAS REPORTED IN YESTERDAY'S LISBON DAILY O SECULO.

SEPT. 20 (IPS)--PREPARATIONS ARE CURRENTLY UNDERWAY FOR THE CONVENING OF THE INDO-U.S. JOINT COMMISSION FOR BILATERAL PARLEYS ON TRADE, COMMERCE, SCIENCE AND EDUCATION BETWEEN THE GOVERNMENTS OF INDIA AND THE U.S. THE INDO-U.S. JOINT COMMISSION, FIRST CREATED DURING THE FAMINE PERIOD OF 1974 BY U.S. SECRETARY OF STATE HENRY KISSINGER, IS NOW THE FUNNEL FOR U.S. FOOD AID, AND HAS NEVER BEEN CONVENED BECAUSE OF STRONG OPPOSITION TO ITS FORMATION BY THE PRO-SOVIET COMMUNIST PARTY OF INDIA AND A STRONG PRO-DEVELOPMENT POLICY ADOPTED BY THE INDIAN GOVERNMENT.

INDIAN FOREIGN MINISTER Y. CHAVAN, IN LINE WITH A "MODERATE" CONCILIATORY STANCE ON SEPT. 12, INDICATED THAT HE WAS LOOKING FORWARD TO A "DIALOGUE" WITH KISSINGER AT THE COMMISSION MEETINGS.

#### LEFTWING DAILY BLASTS INDIAN FOREIGN MINISTER, FINANCE MINISTER FOR MODERATE STAND

(MORE)

LEFTWING INDIAN DAILY, STRONGLY ATTACKED THE GANDHI CABINET. WARNING AGAINST THE ANNOUNCED INDIAN STANCE AT THE UPCOMING INDO-U.S. JOINT COMMISSION MEETINGS, THE PATRIOT CHARGED: "IT IS ALMOST EXCLUSIVELY TO BE AN INDIAN EXERCISE IN BOOTLICKING FOR FOREIGN AID AND CHAVAN IS BEING ADVISED ON HOW TO GO ABOUT IT AND GET THE MAXIMUM FOREIGN INVESTMENT IN PRTE INUSTRY (AS OPPOSED TO SOVIET FUNDED PUBLIC SECTOR).... AID BOOTLICKERS BOTH IN PRESS AND ELSEWHERE HAVE BEGUN INTERPRETING SUBRAMANIAM TO MEAN THAT HE HAS RETURNED FROM THE U.S. LIKE JASON WITH THE GOLDEN FLEECE. DESPITE REPEATED WHIP-CRACKING BY U.S. SPOKESMEN AT THE SPECIAL SESSION AND FUND/BANK PARLEYS OUR EXPERT BEGGARS ARE MANFULLY HOPING THAT FORD AND KISSINGER'S HEARTS WILL MELT AND START TILTING TOWARD GREATER AID TOWARD INDIA. THESE AID PROPONENTS AND THOSE WHO FURTIVELY ENCOURAGE THEM FROM SECRETIVE CIRCLES IN THE GOVERNMENT HOLES ARE QUITE AWARE BUT WILL NOT ADMIT THAT AMERICAN AID WILL ULTIMATELY MEAN BOWING TO U.S. DEMANDS.

IN EARLY AUGUST, ZARODOV WROTE A MAJOR ARTICLE IN PRAVDA BLASTING THE CENTRIST TENDENCIES WITHIN THE COMMUNIST MOVEMENT AND SUPPORTING THE LENINIST STRATEGY OF THE PORTUGUESE COMMUNIST PARTY.

SEPT. 20 (IPS)—WHILE U.S. INFLUENCE IN THE MIDDLE EAST HAS INCREASED AS A RESULT OF THE RECENT EGYPT-ISRAEL INTERIM ACCORD, WRITES ALI SIRMEN IN A SEPT. 11 EDITORIAL IN THE INFLUENTIAL TURKISH DAILY CUMHURIYET, "THE PROGRESSIVE ARAB REGIMES ARE MOVING TOWARD A MORE CLASS-BASED POINT OF VIEW." NOTING THE VIRTUAL COLLAPSE OF THE EGYPTIAN ECONOMY, SIRMEN REPORTS THAT LIBERATION ORGANIZATIONS "WILL MOVE AWAY FROM UNSTABLE LEADERS LIKE SADAT AND ESTABLISH CLOSER COLLABORATION WITH PROGRESSIVE ORGANIZATIONS AND REGIMES. NATURALLY, THE SOVIETS' SUPPORT WILL GO IN A SIMILAR DIRECTION ALSO."

ALLUDING TO THE CIA'S ATTEMPTS TO DESTROY THE LEFT IN LEBANON SIRMEN WRITES, "KISSINGER INTENDED TO WIPE OUT GROWING CONSCIOUSNESS AGAINST U.S. IMPERIALISM BY USING THE DISPUTE BETWEEN PROGRESSIVE AND CONSERVATIVE FORCES. BUT IT SEEMS THAT HE IS NOT GOING TO BE FULLY SUCCESSFUL IN THIS."

IPS HAS PREVIOUSLY STATED THAT THE BRONFMAN KIDNAPPING WAS A HOAX PERPETRATED BY THE NATIONAL SECURITY COUNCIL AND THE FBI TO GENERATE CHAOS, CONFUSION, AND POLICE-STATE TERROR--IN AN OPERATION PARALLEL TO THE NSC/FBI PATTY HEARST/SLA HOAX.

SATURDAY, SEPTEMBER 20, 1975 2000 HOURS EDT

## PCP BLASTS SECOND INTERNATIONAL MISINFORMATION CAMPAIGN

SEPT. 20 (IPS)--IN RESPONSE TO WESTERN BOURGEOIS PRESS REPORTS THAT THE PORTUGUESE COMMUNIST PARTY (PCP) HAD MADE A "CONCILIATION OFFER" TO WEST GERMAN SOCIAL DEMOCRATIC LEADER WILLY BRANDT, THE PCP INFORMATION BUREAU HAS RELEASED A COMMUNIQUE STATING THAT THE PARTY HAD OFFERED TO SEND A DELEGATION ON AN INFORMATION MISSION TO MEET WITH THE WEST GERMAN SPD BECAUSE "EUROPEAN SOCIALIST AND SOCIAL-DEMOCRATIC LEADERS WERE MAKING DECLARATIONS ON THE PORTUGUESE SITUATION THAT HAD NOTHING TO DO WITH REALITY." THE SPD REJECTED THIS OFFER, THE PCP SAYS.

THIS ANSWER, THE COMMUNIQUE ADDS, SHOWS THAT THE SPD'S OPINIONS ON PORTUGAL "CONTINUE TO BE VOLUNTARILY TENDENCIOUS." THE COMMUNIQUE ALSO BLASTS THE PORTUGUESE SOCIALIST PARTY FOR USING THE PRIVATE CONTACT BETWEEN THE PCP AND THE SPD FOR "PARTY PROPAGANDA." THE PCP COMMUNIQUE WAS PUBLISHED IN THURSDAY'S LISBON DAILY, DIARIO DE NOTICIAS.

## CPUSA JOINS SECOND INTERNATIONAL CAMPAIGN TO IMPEDE PORTUGAL/ANGOLA MOBILIZATION

SEPT. 20 (IPS)--IN AN EFFORT TO IMPEDE THE GROWING MOBILIZATION OF THE COMMITTEE TO DEFEND THE REVOLUTION IN PORTUGAL AND ANGOLA, A UNITED FRONT FORMATION INITIATED BY THE NATIONAL CAUCUS OF LABOR COMMITTEES AND U.S. LABOR PARTY, THE AGENT-RIDDEN COMMUNIST PARTY USA HAS JUST FORMED ITS OWN "COMMITTEE TO STOP U.S. INTERVENTION IN PORTUGAL AND ANGOLA," ACCORDING TO TODAY'S DAILY WORLD.

AS PART OF THIS CO-ORDINATED SABOTAGE OPERATION, THE DAILY WORLD HAS EMPHASIZED NEWS REPORTS THAT WOULD IMPLY A RECONCILIATION BETWEEN PORTUGAL'S COMMUNISTS AND THE AGENT PORTUGUESE SOCIALIST PARTY. TODAY, THE WORLD QUOTES PCP LISBON LEADER JAIME SERRA AS SAYING: "AT THE PRESENT MOMENT, OUR NUMBER ONE ENEMY IS NOT SOCIAL-DEMOCRACY; IT IS FASCISM AND REACTION." BUT, ACCORDING TO THE EAST GERMAN PAPER NEUES DEUTSCHLAND OF SEPT. 18, SERRA IN FACT BLASTED THE PSP AND THE MAOIST MRPP FOR JOINTLY IMPEDING THE UNITY OF REVOLUTIONARY FORCES.

## SHRIVER LAUNCHES PRESIDENTIAL BID AS STALKING HORSE FOR ROCKEFELLER

SEPT. 20 (IPS)--SARGENT SHRIVER, FORMER DEMOCRATIC VICE PRESIDENTIAL CANDIDATE, ANNOUNCED HIS PRESIDENTIAL CANDIDACY AS A STALK-

(MORE)

ING HORSE FOR HIS BROTHER-IN-LAW, SENATOR EDWARD KENNEDY, AT A WASHINGTON PRESS CONFERENCE TODAY UNDER CIRCUMSTANCES WHICH LEFT OBSERVERS WONDERING IF HE WERE NOT REALLY A STAND-IN FOR VICE PRESIDENT NELSON ROCKEFELLER. AMONG THE LEADERS OF THE "COMMITTEE FOR SHRIVER," THE CANDIDATE SAID, ARE CYRUS VANCE, NEWLY NAMED HEAD OF THE ROCKEFELLER FOUNDATION, THOMAS WATSON, CHAIRMAN OF ROCKEFELLER-ALLIED IBM, AND RICHARDSON DILLWORTH, JR., THE ROCKEFELLERS' PERSONAL FINANCIAL ADVISER.

SHRIVER STATED THAT HE FULLY AGREED WITH SECRETARY OF STATE HENRY KISSINGER'S SCANDALOUS SPEECH TO THE UNITED NATIONS SPECIAL SESSION, TERMING IT "THE BEGINNING OF U.S. POLICY ON THE THIRD WORLD."

SHRIVER ENDORSED ROCKEFELLER'S PUSH TO EXPAND THE NATIONAL SECURITY COUNCIL INTO A FASCIST POLICY-MAKING BODY WITH POWERS TO WAGE WORLDWIDE ECONOMIC WARFARE, STATING THAT THE NSC "WOULD NOT HAVE ADVERSE EFFECTS ON EAST-WEST TRADE, ESPECIALLY UNDER A SHRIVER ADMINISTRATION."

SHRIVER ALSO SAID THAT HE WOULD OPPOSE DEBT MORATORIA FOR FINANCIALLY BLEED CITIES.

FINALLY, SHRIVER SAID, HE WAS PREPARED TO DROP OUT AT ANY MOMENT IN FAVOR OF KENNEDY, "THE BEST AND MOST QUALIFIED PERSON" TO BE THE DEMOCRATIC CANDIDATE.

SHRIVER'S BIZARRE PERFORMANCE HAS STIRRED RUMORS THAT HE MAY ALSO BE PREPARED TO HELP VICE PRESIDENT ROCKEFELLER SECURE A PLACE ON THE DEMOCRATIC TICKET, SHOULD THE DIPSOMANIAC VICE PRESIDENT BE EXCLUDED FROM A SPOT ON THE REPUBLICAN TICKET BY ANGRY CONSERVATIVES.

#### ALGERIA GIVES FRENCH GOV'T OBJECT LESSON IN DEVELOPMENT

SEPT. 20 (IPS)—SONATRACH, THE ALGERIAN STATE-OWNED GAS AND OIL COMPANY, YESTERDAY SPONSORED A FULL-PAGE AD IN THE FRENCH DAILY LE FIGARO, FULLY DOCUMENTING THE FRENCH GOVERNMENT'S REFUSAL TO PARTICIPATE IN REAL ECONOMIC "COOPERATION." CALLING THE INTERNATIONALLY TOUTED FRENCH COMMITMENT TO A "NEW WORLD ECONOMIC ORDER" A "FRAUD," THE AD STATES THAT THE SPECIAL TRADING RELATIONSHIP BETWEEN THE TWO COUNTRIES (ALGERIA IS FRANCE'S BIGGEST CUSTOMER) WILL ONLY CONTINUE IF THE FRENCH TRULY COMMIT THEMSELVES TO "RECIPROCAL COOPERATION."

THE ALGERIANS CALLED FOR THE FRENCH GOVERNMENT TO ASSIST THEM IN THE FINANCING OF THEIR BALANCE OF PAYMENTS DEFICIT TO FRANCE—A STEP WHICH FRANCE HAS REFUSED TO TAKE, SAYS SONATRACH, BECAUSE SHE IS PRESENTLY USING ALGERIAN DEBT PAYMENTS TO PAY OFF HER OWN DEBTS TO THE UNITED STATES AND WEST GERMANY.

#### BURNS CALLS FOR ENDING UNEMPLOYMENT COMPENSATION, SLAVE LABOR

SEPT. 20 (IPS)—ARTHUR BURNS, CHAIRMAN OF THE U.S. FEDERAL RESERVE, YESTERDAY CALLED FOR THE ELIMINATION OF UNEMPLOYMENT COM-

(MORE)

PENSATION AND ITS REPLACEMENT WITH A PROGRAM OF GOVERNMENT JOBS "TO ANYONE WHO WAS WILLING TO WORK AT A RATE OF PAY SOMEWHAT BELOW THE FEDERAL MINIMUM WAGE" OF \$2.10 AN HOUR AS THE SOLUTION TO THE DEPRESSION CRISIS. BURNS PROPOSED THESE MEASURES AS AN ALTERNATIVE TO FURTHER "PUMPING" OF THE ECONOMY THROUGH GOVERNMENT DEFICIT SPENDING AND A RAPID INCREASE IN THE MONEY AND CREDIT SUPPLY YESTERDAY IN A SPEECH AT THE UNIVERSITY OF GEORGIA. BURNS ADDED THAT AN AMENDMENT TO THE CONSTITUTION MIGHT BE REQUIRED TO GUARANTEE THAT PAY FOR "THESE SPECIAL PUBLIC JOBS" NOT BE ALLOWED TO RISE AND THUS "REDUCE INCENTIVES TO SEEK PRIVATE EMPLOYMENT," ACCORDING TO TODAY'S NEW YORK TIMES.

IN ADDITION, BURNS CALLED FOR A REVIEW OF ALL CURRENT LABOR LEGISLATION, NOTABLY THE MINIMUM WAGE LAW, THE DAVIS-BACON ACT, WHICH REQUIRES CONTRACTORS FOR FEDERAL CONSTRUCTION PROJECTS TO PAY PREVAILING AREA WAGES, AND THE LEVEL OF BENEFITS IN THE UNEMPLOYMENT COMPENSATION SYSTEM, WHICH HE SAID "MAY BE BLUNTING INCENTIVES TO WORK."

U.S. LABOR PARTY STATEMENT  
ON THE PATRICIA HEARST CAPTURE

NEW YORK, SEPT. 19 (IPS)—TIMING AND CIRCUMSTANCES SURROUNDING THE CAPTURE YESTERDAY AFTERNOON IN SAN FRANCISCO OF KIDNAPPED HEIRESS PATRICIA HEARST STRONGLY CORROBORATE STATEMENTS MADE EARLIER THIS MONTH BY FBI INFORMER WAYNE LEWIS TO THE EFFECT THAT THE FBI HAS HAD DIRECT CONTACT WITH MISS HEARST THROUGHOUT HER 19-MONTH "DISAPPEARANCE" WITH THE SYMBIONESE LIBERATION ARMY.

THIS LATEST CASE OF DIRECT FEDERAL POLICE AGENCY INVOLVEMENT IN CRIMINAL ACTIVITIES ENDED APPROPRIATELY ON THE EVE OF THE ANTICIPATED PASSAGE OF THE SENATE S. 1 LEGISLATIVE PACKAGE THAT DRASTICALLY REORGANIZES FEDERAL CRIMINAL CODES GIVING NEARLY CARTE BLANCHE POLICE STATE POWERS TO THE FBI. IN THIS CONTEXT, THE REASONING BEHIND THE FBI'S "CHOICE" OF WHEN TO CAPTURE MISS HEARST BECOMES OBVIOUS. THE FBI'S CREDIBILITY—SEVERELY TARNISHED OVER THE COURSE OF THE HEARST SEARCH—WOULD NOW BE GREATLY ENHANCED, PROVIDED THE ACTUAL FACTS OF THEIR INVOLVEMENT IN THE CASE REMAIN CLOUDED.

THE U.S. LABOR PARTY HAS ALREADY PLACED SUFFICIENT INFORMATION IN THE HANDS OF THE CONGRESSIONAL SELECT COMMITTEES ON INTELLIGENCE REGARDING CRIMINAL ACTIVITIES CARRIED OUT BY THE FBI TO JUSTIFY THE DISMANTLING OF THAT AGENCY. SUCH ACTION—AS OPPOSED TO RUBBER STAMPING OF THE ROCKEFELLER-ENGINEERED DISMANTLING OF THE CONSTITUTION THROUGH S. 1—IS THE ONLY SANE COURSE FOR CONGRESS TO TAKE.

EVELLE YOUNGER "PREDICTS" TERRORISM  
AS OUTCOME OF HEARST ARREST

SEPT. 20 (IPS)—CALIFORNIA ATTORNEY GENERAL AND FORMER CONTROLLER OF SYMBIONESE LIBERATION ARMY LEADER "CINQUE," EVELLE YOUNGER,

(MORE)

"PREDICTED" IN A PRESS CONFERENCE THAT THE ARREST OF PATTY HEARST WOULD LEAD TO TERRORIST ACTIVITY IN THE AREA. YOUNGER'S PREDICTION WAS SEVERAL DAYS LATE. ALREADY THE LEAA/FBI NETWORK HAS ACTIVATED BOMBINGS IN SEATTLE AND HIJACKINGS AND ZOMBIE MURDERS IN THE SAN FRANCISCO AREA.

#### SYRIA PREPARES A MASS SLAUGHTER OF THE LEBANESE LEFT

SEPT. 20 (IPS)--THE FOREIGN MINISTER OF SYRIA, ABDEL HALIM KHADAM, AND THE SYRIAN CHIEF OF STAFF, MAJOR GENERAL HIKMAT AL-SHEHABI, HAVE ARRIVED IN BEIRUT IN AN EFFORT TO "MEDIATE" AN END TO THE FIGHTING BETWEEN LEBANON'S MOSLEMS AND RIGHT-WING CHRISTIAN FALANGISTS. THIS MOVE BY THE CIA-CONTROLLED GOVERNMENT OF SYRIA IS DIRECTED AGAINST THE ORGANIZING IN LEBANON BY THE COMMUNISTS AND LEFT-WING BAAHISTS ALLIED WITH IRAQ.

AT THE SAME TIME, ACCORDING TO THE NEW YORK TIMES, REPORTS FROM BEIRUT INDICATE THAT THE PRO-SYRIAN FACTION IN THE PALESTINIAN MOVEMENT "SAIQA," IN ALLIANCE WITH THE LEBANESE ARMY, IS PATROLLING THE NORTHERN CITY OF BEIRUT, TRIPOLI, IN AN EFFORT TO STOP THE ADVANCE OF LEFTIST FORCES IN THE CITY.

#### FUSION RESEARCH NEEDED, SAYS BRITISH SCIENTIST

SEPT. 20 (IPS)--NUCLEAR FUSION RESEARCH MUST BE GIVEN TOP PRIORITY IN ENERGY RESEARCH, OR SOCIETY WILL NOT BE ABLE TO MEET ITS FUTURE ENERGY NEEDS, SIR ALAN COTTRELL, A FORMER SCIENTIFIC ADVISER TO THE BRITISH GOVERNMENT, TOLD A BIRMINGHAM (ENGLAND) UNIVERSITY AUDIENCE THIS WEEK.

ACCORDING TO YESTERDAY'S LONDON FINANCIAL TIMES, COTTRELL WARNED THAT ALTHOUGH FUSION POWER RAISED SCIENTIFIC AND TECHNICAL PROBLEMS OF "EXTRAORDINARY SEVERITY," HE WAS CONFIDENT THAT THEY COULD BE SOLVED. DEEMING PRESENT ENERGY PROBLEMS AS "LARGELY OF A POLITICAL AND ECONOMIC" RATHER THAN SCIENTIFIC NATURE, COTTRELL SAID THAT AT CURRENT DEVELOPMENT RATES IT WOULD TAKE 30 YEARS TO SOLVE ENERGY PROBLEMS.

AT A BONN PRESS CONFERENCE YESTERDAY, CURRENT BRITISH ENERGY SECRETARY ANTHONY WEDGEWOOD BENN, IN RESPONSE TO AN IPS QUESTION ON RECENT SOVIET ADVANCES IN THE FUSION FIELD, APOLOGIZED FOR HIS EARLIER NEGATIVE ANSWER ON FUSION PROSPECTS BECAUSE IT WAS BASED ON "NEWS FROM 1968." NOTING THAT IPS INFORMATION OBVIOUSLY WAS MORE UP-TO-DATE, BENN SAID FUSION WARRANTED FURTHER INVESTIGATION.

#### DAILY WORLD PRAISES CIA'S GULBENKIAN FOUNDATION IN PORTUGAL

SEPT. 20 (IPS)--IN AN ARTICLE ON "CULTURAL CURRENTS IN PORTUGAL," TODAY'S DAILY WORLD, NEWSPAPER OF THE AMERICAN COMMUNIST PARTY, PRAISES THE ROLE OF THE "CULTURAL MONOPOLY BEARING THE NAME CALOUSTE GULBENKIAN," WHICH WAS FOUNDED BY A "LEGENDARY OIL MAGNATE" DURING THE SALAZAR DICTATORSHIP PERIOD. NOT MENTIONED IN THE DAILY WORLD ARTICLE IS THE GULBENKIAN FOUNDATION'S ROLE IN FINANCING A "RESETTLEMENT CAMP" COUNTERINSURGENCY PROJECT IN THE

FORMER PORTUGUESE COLONY OF GUINE-BISSAU IN THE EARLY 1970S, NOR THE REPORTED RIGGING OF VOTES BY ITS COMPUTERIZED ELECTION TALLYING SYSTEM IN LAST APRIL'S ELECTIONS IN PORTUGAL.

#### BRITISH UNIONISTS DEFEND PCP

SEPT. 20 (IPS)--FOUR THOUSAND BRITISH TRADE UNIONISTS AND BRITISH COMMUNIST PARTY SUPPORTERS MARCHED TO HYDE PARK TODAY TO RALLY IN SUPPORT OF THE PORTUGUESE COMMUNIST PARTY (PCP). AS THE DEMONSTRATORS MARCHED THROUGH LONDON STREETS, THEY CARRIED BANNERS SAYING, "THROW OUT NATO! THROW OUT THE CIA! THROW OUT SOARES!", ACCORDING TO UPI REPORTS. AMONG THE SPEAKERS WERE JUDITH HART, LABOUR MEMBER OF PARLIAMENT WHO RECENTLY PROVOKED AN UPROAR IN THE LABOUR PARTY BY DEFENDING THE PORTUGUESE REVOLUTION AT THE MOMENT THAT PRIME MINISTER WILSON WAS PLOTTING A NATO BLOODBATH WITH OTHER SECOND INTERNATIONAL LEADERS, AND A REPRESENTATIVE OF PORTUGUESE RADIO.

#### KISSINGER'S STATE DEPARTMENT TRADING POST

SEPT. 20 (IPS)--GEORGE BALL, A BANKER AND LEADING ADVOCATE OF THE "AMERICAN CENTURY" BRAND OF U.S. IMPERIALISM, RECENTLY CRITICIZED SECRETARY OF STATE HENRY KISSINGER'S AGREEMENT TO DELIVER MISSILES CAPABLE OF CARRYING NUCLEAR WARHEADS TO ISRAEL. "GIVING THESE MISSILES TO ISRAEL IS LIKE GIVING WHISKEY TO THE INDIANS," BALL SAID. HIS REMARKS WERE REPORTED TODAY IN THE WEST GERMAN DAILY DIE WELT.

#### FORD CALLS CONGRESS "CHICKEN" ON ENERGY

SEPT. 20 (IPS)--IN A SPEECH IN OKLAHOMA CITY YESTERDAY, PRESIDENT FORD ACCUSED CONGRESS OF BEING "JUST PLAIN CHICKEN" ON THE ENERGY ISSUE AND WARNED OF "AN EXPLOSION IN OUR ECONOMY" RESULTING FROM "THE RECKLESS RISK" CONGRESS IS TAKING IN NOT PASSING HIS PLAN TO SUBSIDIZE OIL COMPANIES' DOMESTIC ENERGY PRODUCTION.

ACCORDING TO TODAY'S WASHINGTON POST, FORD ALSO IGNITED THE QUESTION OF WHEAT SALES TO THE SOVIET UNION. OKLAHOMA FARMERS ARE ENRAGED OVER THE ADMINISTRATION'S SABOTAGE OF THE WHEAT SALES, AND SEN. HENRY BELLMON (R-OKLA), WHO SHARED THE PLATFORM YESTERDAY BEFORE A FAIRGROUND AUDIENCE, HAS ACCUSED THE ADMINISTRATION OF A "COWARDLY, KOW-TOWING" DECISION IN CALLING A MORATORIUM ON THE SALES WHICH HAD BEEN DEMANDED BY GEORGE MEANY.

#### PCF CALLS FOR IDEOLOGICAL DEBATE WITH BERLINGUER

SEPT. 20 (IPS)--GEORGES GIRARD, FRENCH COMMUNIST PARTY CENTRAL COMMITTEE MEMBER, THIS WEEK ANSWERED A QUESTION FROM A PCF CADRE ON THE PARTY'S "NON-INTERFERENCE" POLICY VIS-A-VIS ITS BROTHER PARTIES, BY DECLARING THAT OPEN IDEOLOGICAL DEBATE IS NECESSARY. SPECIFICALLY ADDRESSING THE POLYCENTRIST RANTINGS OF ITALIAN COMMUNIST LEADER BERLINGUER, GIRARD STATED THAT "IDEOLOGICAL CONFRONTATIONS ARE NECESSARY WITHIN THE COMMUNIST MOVEMENT; IT IS THE WAY TO OVERCOME CONTRADICTIONS....GENERAL PRINCIPLES ARE COMMON TO ALL COMMUNIST LEADERS...AND THESE PRINCIPLES BEING DEFINED, THE BEST WAY TO ELIMINATE INCOMPREHENSION AND DEVELOP SOL-

IDARITY IS FREQUENT CONTACTS, FRANK DISCUSSIONS AND THE PERMANENT QUEST FOR COORDINATED ACTION," REPORTS FRANCE NOUVELLE, THE PCF WEEKLY.

#### PRESS REPORTS KISSINGER-SCHLESINGER SPLIT OVER PERSHING MISSILE CONTROVERSY

SEPT. 20 (IPS)--SECRETARY OF STATE HENRY KISSINGER'S COMMITMENT TO CONSIDER PROVIDING ISRAEL WITH PERSHING MISSILES DESIGNED TO CARRY NUCLEAR WARHEADS WAS TAKEN "WITHOUT CONSULTING" THE DEPARTMENT OF DEFENSE EITHER ABOUT AVAILABLE WEAPONS SUPPLIES OR THE IMPLICATIONS OF SUCH A DELIVERY, A DEFENSE DEPARTMENT SPOKESMAN, JOSEPH LAITIN, SAID YESTERDAY.

HOWEVER, ACCORDING TO TODAY'S BALTIMORE SUN, SECRETARY OF DEFENSE SCHLESINGER'S CRITICISM HAS SO FAR BEEN RESTRICTED TO FEARS OF THE SUPPLY CAPABILITIES OF AMERICAN INVENTORIES AND NOT TO THE PERSHING DEPLOYMENT ITSELF.

THERE ARE INDICATIONS THAT KISSINGER MAY BE WILLING TO "TRADE OFF" THE CONTROVERSIAL PERSHING MISSILE CLAUSE IN RETURN FOR CONGRESSIONAL APPROVAL OF THE REMAINDER OF HIS CONTROVERSIAL PACT.

#### KISSINGER TAKES COMMAND OF ALCOHOL PROGRAMS

SEPT. 20 (IPS)--SECRETARY OF STATE HENRY KISSINGER AND HIS "MANAGEMENT EXPERT," DEPUTY ASSISTANT SECRETARY OF STATE LAWRENCE EAGLEBURGER, HAVE IN RECENT WEEKS ASSUMED DIRECT CONTROL OF THE STATE DEPARTMENT'S OWN ALCOHOL ABUSE BRAINWASHING PROGRAMS, ORIGINALLY ESTABLISHED IN 1972, THE WASHINGTON STAR REPORTED YESTERDAY. KISSINGER REPORTEDLY STEPPED INTO THE PROGRAM BECAUSE OF THE RELUCTANCE OF MOST STATE DEPARTMENT OFFICIALS TO IMPLEMENT IT THEMSELVES. STRESSING THAT NEARLY 10 PER CENT OF THE STATE DEPARTMENT'S STAFF MAY REQUIRE "TREATMENT," EAGLEBURGER SAID, "WE WANT THE WORD TO GET OUT THAT IF SOMEONE IS SUFFERING FROM ALCOHOLISM AND MAKES USE OF OUR PROGRAM, IT IS NOT GOING TO GO INTO THE RECORDS, AND THAT IT WON'T BE DISCLOSED TO THE PROMOTION BOARDS."

### PORTUGUESE SOCIAL DEMOCRATS MOVE TO TURN NEWSPAPERS INTO RAGS

SEPT. 21 (IPS)--PORTUGAL'S NEW PSP/PPD DOMINATED GOVERNMENT WILL SEEK TO CHANGE THE EDITORIAL POLICY OF LISBON'S PRO-WORKING-CLASS NEWSPAPERS, DIARIO DE NOTICIAS AND O SEculo, AS WELL AS COVERAGE ON THE WORKING-CLASS-DOMINATED NATIONAL RADIO AND TELEVISION STATIONS, THE NEW YORK TIMES REVEALED TODAY. PORTUGAL'S NEW INFORMATION MINISTER, RESPONSIBLE FOR PRESS AND MEDIA, IS CLOSE TO THE PSP.

SEPT. 21 (IPS)--PORTUGUESE COMMUNIST PARTY (PCP)-BACKED METAL WORKERS IN THE LISBON INDUSTRIAL BELT HAVE SCHEDULED A ONE-HOUR WARNING STRIKE, THE ITALIAN NEWSPAPER L'UNITA REPORTS TODAY. THE STRIKE IS AGAINST EMPLOYERS REFUSING TO RECOGNIZE COLLECTIVE CONTRACTS PREVIOUSLY WON BY METAL WORKERS. UNDER THE PREVIOUS PRO-WORKING-CLASS GOVERNMENT LED BY GEN. VASCO GONCALVES THE PCP HAD OPPOSED STRIKES AS DETRIMENTAL TO NATIONAL ECONOMIC PRODUCTION. YESTERDAY, PCP LEADER ALVARO CUNHAL WAS CONSPICUOUSLY ABSENT FROM SWEARING-IN CEREMONIES FOR PORTUGAL'S NEW SOCIAL-DEMOCRATIC-DOMINATED SIXTH GOVERNMENT.

EUROPEAN CP'S MOBILIZE  
AGAINST JUDICIAL MURDER IN SPAIN

SEPT. 21 (IPS)--THE WESTERN EUROPEAN COMMUNIST MOVEMENT IS MOBILIZING AGAINST THE SPANISH DICTATORSHIP'S THREATENED JUDICIAL MURDER BY GARROTING OF NUMEROUS ALLEGED TERRORISTS. TEN ALLEGED TERRORISTS HAVE ALREADY BEEN CONDEMNED TO DEATH FOLLOWING KANGAROO COURT TRIALS RUN BY THE SPANISH ARMED FORCES. DEMONSTRATIONS ATTENDED BY THOUSANDS OPPOSING THE THREATENED DEATH PENALTIES HAVE JUST BEEN HELD IN PARIS AND DUESSELDORF, TODAY'S EAST GERMAN RADIO REPORTS. BOTH CITIES ARE THE HEADQUARTER-TOWNS OF THE COMMUNIST PARTIES OF FRANCE AND GERMANY RESPECTIVELY.

THE ITALIAN GOVERNMENT, THE VATICAN HIERARCHY, AND VARIOUS SPANISH CLERICAL NOTABLES ARE ALSO REPORTED TO BE CALLING FOR "CLEMENCY" FOR THE ACCUSED TERRORISTS.

THE EUROPEAN COMMUNIST MOVEMENT HAS YET TO EXPOSE THE FACT THAT BOTH THE WAVE OF TERRORIST VIOLENCE IN SPAIN AND THE COUNTER-WAVE OF ANTI-WORKING-CLASS TERROR LAUNCHED BY THE FRANCO DICTATORSHIP ARE BEING COORDINATED FROM OUTSIDE SPAIN BY ROCKEFELLER'S CIA.

GANDHI ATTACKS FOREIGN INTERFERENCE IN INDIA

SEPT. 21 (IPS)--PRIME MINISTER INDIRA GANDHI ATTACKED THE UNITED STATES AND OTHER COUNTRIES FOR INTERFERING IN THE INTERNAL AFFAIRS OF OTHER COUNTRIES, IN A SPEECH TWO DAYS AGO, ACCORDING TO THE SEPT. 20 LONDON TIMES. IN THE SPEECH GANDHI SAID THAT IT WAS OPENLY BEING STATED IN THOSE COUNTRIES, AND NOT BY THE PRESS ALONE, THAT THEY HAVE THE RIGHT TO INTERFERE MILITARILY AND POLITICALLY IN OTHER COUNTRIES. WHILE MRS. GANDHI DID NOT MENTION THE UNITED STATES BY NAME, IT WAS WIDELY UNDERSTOOD THAT HER STATEMENTS WERE DIRECTED AT THAT COUNTRY.

A SHORT WHILE AGO, U.S. PRESIDENT FORD COMMENTED THAT THE RECENT DEVELOPMENTS IN INDIA WERE "SAD". MRS. GANDHI TO SAY THAT "OUTSIDE FORCES" WERE AIDING THE "SO-CALLED UNDERGROUND GROUPS" IN INDIA WORKING AGAINST THE "BASIC FEATURES OF DEMOCRACY," AND ALSO ATTACKED AMNESTY INTERNATIONAL AND THE SOCIALIST INTERNATIONAL FOR NOT INVESTIGATING AND WORKING AGAINST REAL AUTHORITARIAN REGIMES. BOTH GROUPS HAVE ATTEMPTED TO DISRUPT THE INDIAN GOVERNMENT IN THE RECENT PERIOD.

SINAI "PEACEKEEPERS" TO BE CIA AGENTS

SEPT. 21 (IPS)--SYNDICATED COLUMNIST JACK ANDERSON, WRITING IN TODAY'S WASHINGTON POST, SAID THAT MANY OF THE AMERICAN "TECHNICIANS" -- PLACED IN THE SINAI BUFFER ZONE -- WILL HAVE VERY CLOSE TIES TO THE CIA. ANDERSON SAID THAT HE HAD BEEN INFORMED BY "TOP-LEVEL INTELLIGENCE SOURCES" THAT MANY OF THE SINAI "PEACEKEEPERS" WILL "PROBABLY BE REGULAR CIA EMPLOYEES WHO WILL BE 'RETIRED' SHORTLY BEFORE THEY REPORT FOR THEIR DESERT DUTY."

FRENCH PRESIDENT'S ECONOMIC ADVISER TOURS CHINA;  
ADMITS THAT GISCARD AND MAO ARE FASCISTS

SEPT. 21 (IPS)--LIONEL STOLERU, PRESIDENT GISCARD D'ESTAING'S CLOSEST ECONOMIC ADVISER AND THE MAN IN CHARGE OF "PROMOTING MANUAL LABOR" IN FRANCE, IS JUST BACK FROM CHINA WHERE HE WENT TO SEE "HOW THE MAO REGIME MAKES THE WHITE COLLARS WORK WITH THEIR HANDS." IN AN ARTICLE WRITTEN IN THE TRILATERAL COMMISSION'S ECONOMIC MONTHLY, L'EXPANSION, STOLERU ACKNOWLEDGES THAT "THE APOLOGY FOR MANUAL LABOR WAS, IN THE PAST, THE DOCTRINE OF SPARTIA, VICHY (FASCIST) FRANCE, MUSSOLINI'S YOUTH CAMPS AND PART OF THE NAZI CULT FOR THE BODY AND PHYSICAL STRENGTH." TODAY, HE STRESSES, SIMILAR POLICIES HAVE BEEN ENDORSED BY MAOIST CHINA AND GISCARD'S FRANCE: "BY RELENTLESSLY INSISTING, THE CHINESE LEADERS HAVE SUCCEEDED IN INSINUATING THE PRIORITY OF MANUAL LABOR INTO A GREAT PART OF THE CHINESE OPINION."

PCI SCREAMS UNDER PCF EXPOSURE

SEPT. 21 (IPS)--THE PRESS-BUREAU OF THE ITALIAN COMMUNIST PARTY (PCI) HAS RELEASED A COMMUNIQUE DENYING THE VERSION OF A MEETING BETWEEN PCI GENERAL SECRETARY BERLINGUER AND FRENCH SOCIALIST PARTY NATIONAL SECRETARY CLAUDE ESTIER, PUBLISHED IN THE FRENCH WEEKLY LE NOUVEL OBSERVATEUR. LE NOUVEL OBSERVATEUR, A FRENCH COMMUNIST PARTY PUBLICATION, STATED THAT BERLINGUER AND ESTIER CRITICIZED THE POLICIES OF THE PCF AND ACKNOWLEDGED THAT "THE PCI AND THE FRENCH SOCIALIST PARTY (PSF) HAVE AN ALMOST SIMILAR GENERAL ANALYSIS." THE PCI NOW DENIES THAT BERLINGUER AND ESTIER TALKED ABOUT THE PCF, WHICH CONTRADICTS A REPORT MADE BY ESTIER HIMSELF IN THE PSF WEEKLY L'UNITE. THE SEPT. 20 ISSUE OF L'HUMANITE, THE PAPER OF THE PCF, PRINTS THE WHOLE STORY.

II. WORLD PRESS SUMMARY -- CONTINENTAL NEWS.

NEW YORK TIMES ECHOES BURNS' CALL  
FOR FASCIST ECONOMIC CONTROLS

SEPT. 21 (IPS)--UNDER A RITUAL LIBERAL COVER OF ATTACKS ON THE CONSERVATIVE "FREE MARKET" FORD ADMINISTRATION, THE NEW YORK TIMES TODAY CALLED FOR "AN INCOMES POLICY AIMED AT CHECKING UNWARRANTED INCREASES IN WAGES AND PRICES -- AND AT THE SAME TIME OPENING UP FAIR PROFIT MARGINS FOR BUSINESS; A SOCIAL POLICY AIMED AT SOLVING THE NATION'S WELFARE PROBLEM, UNEMPLOYMENT AND OTHER CRUCIAL URBAN TROUBLES." THE LENGTHY LEAD EDITORIAL ALSO ADMITTED THE FAILURE OF THE MUCH-TOUTED ECONOMIC "RECOVERY."

THE TIMES' CALL FOR FASCIST STATE CONTROLS OVER THE ECONOMY PROCEEDS FROM THEIR ADMISSION THAT THE RECOVERY IS A PURELY "SURFACE" PHENOMENON. CITING THE STOCK MARKET COLLAPSE, THE STAGNATION IN CONSUMER SPENDING AND THE BUSTED HOUSING INDUSTRY, THE TIMES DECRIES "COLLECTIVE BUDGET DEFICITS OF OVER \$200 BILLION IN EIGHT YEARS," ALLEGEDLY A RESULT OF ADMINISTRATION "MISMANAGEMENT."

TWO DAYS AGO, IN A SPEECH AT THE UNIVERSITY OF GEORGIA, FEDERAL RESERVE CHAIRMAN ARTHUR BURNS CALLED FOR AN INCOMES POLICY, COUPLED WITH A PUBLIC WORKS PROGRAM OF GOVERNMENT JOBS AT LESS THAN MINIMUM WAGE TO REPLACE UNEMPLOYMENT BENEFITS.

#### MCGOVERN SPEARHEADS DRIVE TO AID PORTUGUESE ANTI-COMMUNISTS

SEPT. 21 (IPS)--SEN. GEORGE MCGOVERN (D-SD) PRESENTLY ON A FIVE-DAY INSPECTION TOUR OF LISBON, WILL LAUNCH A CAMPAIGN IN CONGRESS FOR A QUICK, MULTIMILLION DOLLAR AID PROGRAM TO BOLSTER PORTUGAL'S NEW ANTI-COMMUNIST REGIME, TODAY'S WASHINGTON POST REPORTS. MCGOVERN, WHO ADVOCATES THAT U.S. AID AT LEAST EQUAL THE \$80 MILLION PACKAGE OFFERED BY THE COMMON MARKET NATIONS, STRESSED THE IMPORTANCE OF "MOVING QUICKLY." "I FEEL VERY STRONGLY THAT WE HAVE TO BE RESPONSIVE AND MUST NOT SIT ON THE SIDELINES," MCGOVERN STATED.

MCGOVERN, WHO THINKS THAT FOOD -- PARTICULARLY GRAIN AND DAIRY PRODUCTS -- SHOULD BE THE BULK OF U.S. AID, OPENLY ENDORSED THE VIEW OF MANY EUROPEAN SOCIAL DEMOCRATS WHO HAVE BEEN LEADING MAJOR CAMPAIGNS OF ECONOMIC SABOTAGE AIMED AGAINST THE PORTUGUESE COMMUNIST PARTY.

#### CARLUCCI MASTERMINDS PRO-FASCIST PORTUGUESE AID SCHEME

SEPT. 21 (IPS)--FRANK CARLUCCI, U.S. AMBASSADOR TO PORTUGAL, HAS RETURNED TO THAT COUNTRY FROM TALKS IN WASHINGTON. HE IS ASKING THE NEW ANTI-PCP REGIME TO DRAW UP A LIST OF AID PRIORITIES, ACCORDING TO TODAY'S WASHINGTON POST. THE POST COMMENTS "THERE ARE INDICATIONS THAT THE FORD ADMINISTRATION IS SYMPATHETIC TO THE IDEA OF ASSISTING AZEVEDO'S NEW GOVERNMENT."

#### MAJOR U.S. BANK OFFERS STOCK AT CUTRATE PRICE

SEPT. 21 (IPS)--THE CROCKER NATIONAL CORPORATION OF SAN FRANCISCO, HOLDING COMPANY FOR THE CROCKER NATIONAL BANKS, SOLD 1.5 MILLION SHARES OF ITS COMMON STOCK AT A FULL 1/4 BELOW ITS BOOK VALUE IN A DESPERATE ATTEMPT TO SHORE UP ITS CAPITAL BASE, ACCORDING TO TODAY'S NEW YORK TIMES. IT WAS THE FIRST TIME IN HISTORY THAT A MAJOR BANKING INSTITUTION ANYWHERE -- AND CROCKER HAS ASSETS OF \$10 BILLION, MAKING IT ONE OF THE MAJOR U.S. BANKS -- HAD OFFERED SHARES AT SUCH A DISCOUNT. CROCKER HAD NO CHOICE IF IT WANTED TO STAY IN BUSINESS.

MAJOR U.S. BANKS ARE CHOKED UP WITH AS MUCH AS 50% "BAD" LOANS ON THEIR BOOKS, LOANS TO THE BANKRUPT REAL ESTATE INVESTMENT TRUSTS, TO THE COLLAPSED NORTH SEA AND OTHER OIL INDUSTRY BOONDOGGLES, AS WELL AS TO BANKRUPT THIRD WORLD COUNTRIES.

### FORD/ROCKEFELLER TIGHTEN GRIP ON LEAA

SEPT. 21 (IPS)--THE LAW ENFORCEMENT ASSISTANCE ADMINISTRATION (LEAA) A KEY ELEMENT IN THE CIA'S ILLEGAL DOMESTIC ACTIVITIES, IS HEADED FOR A SHAKEUP AND REORGANIZATION BY THE WHITE HOUSE, ACCORDING TO TODAY'S WASHINGTON POST. THE PRIME TARGET FOR THE SHAKEUP IS DIRECTOR RICHARD W. VELDE, AN 11TH HOUR NIXON APPOINTEE, WHO HAS CONCENTRATED TOO MUCH ON "JAMES BOND GADGETRY" RESULTING IN DECENTRALIZATION OF LEAA POLICY MAKING, ACCORDING TO SOURCES IN THE AGENCY. LOCAL UNITS OF THE LEAA IN DETROIT, BOSTON, AND DENVER HAVE COME UNDER SEVERE ATTACK FOR OPERATIONS THAT HAVE SUPERSEDED CONTROL BY ELECTED GOVERNMENT BODIES.

IN A RECENT SPEECH TO CONGRESS REQUESTING A FIVE-YEAR EXTENSION OF THE LEAA, FORD ANNOUNCED THAT THE LEAA WOULD SPEARHEAD WASHINGTON'S NEW CAMPAIGN AGAINST RISING CRIME, MAKING ITS REORGANIZATION A KEY PART OF THE PLANNED NATIONAL SECURITY COUNCIL CONTROL OF ALL INTELLIGENCE AGENCIES AND LAW ENFORCEMENT BODIES AS OUTLINED IN THE ROCKEFELLER COMMISSION'S RECOMMENDATIONS ON THE CIA.

### GALLUP POLL SHOCKS BOURGEOISIE: 35% OF POPULATION CALLED "INDEPENDENTS"

SEPT. 21 (IPS)--IN A NATIONAL PUBLIC OPINION SURVEY CONDUCTED OVER THE SUMMER MONTHS, 21% OF THE ADULT POPULATION DESCRIBED THEMSELVES AS REPUBLICANS, 44% AS DEMOCRATS, AND 35% AS INDEPENDENTS. THE SIGNIFICANT PERCENTAGE OF "INDEPENDENTS," REVEALED IN TODAY'S NEW YORK TIMES, CORRELATES WITH RESULTS OBTAINED IN AN AFSCME POLL IN BOSTON SHOWING THAT 38% OF THE MUNICIPAL WORKFORCE WOULD VOTE FOR U.S. LABOR PARTY MAYORAL CANDIDATE BOB GIBBONS.

### BRAINWASHING PILLS BLASTED IN POST

SEPT. 21 (IPS)--A LUCID PICTURE OF THE DESTRUCTIVENESS OF AMPHETAMINE DRUGS, NOW USED ROUTINELY ON SCHOOL CHILDREN DIAGNOSED AS "HYPERACTIVE," WAS DETAILED IN TODAY'S WASHINGTON POST. BESIDES THE COMMON PHYSICAL SIDE EFFECTS--INCLUDING WEIGHT LOSS, INSOMNIA, DEPRESSION, HEADACHES, BED WETTING, IRRITABILITY--ACTUAL CASES OF SEVERE PSYCHOLOGICAL EFFECTS, INCLUDING OVERT PSYCHOSIS, WERE NOTED. ONE 6-YEAR-OLD ON RITALIN, FOR EXAMPLE, STARTED TO SHOW "GROSSLY BIZARRE" BEHAVIOR INCLUDING HIDING IN A CLOSET AND COWERING IN A CORNER, BECOME APATHETIC AND MUTE, "ALMOST LIKE A VEGETABLE."

### CONGRESSMAN PLANS CONGRESSIONAL HEARING ON NEW YOUTH BRAINWASHING

SEPT. 21 (IPS)--REP. GEORGE MILLER (D-CALIF) PLANS TO LAUNCH A CONGRESSIONAL INQUIRY ON MISUSE OF NEW FUNDS FOR "SHIPPING CHILDREN INTERSTATE" INTO WHAT CRITICS ON CAPITOL HILL CALL "LITTLE MORE THAN COMMERCIAL JAILS." AN ARTICLE IN TODAY'S WASHINGTON POST DETAILS THE EXTREME ABUSE INFLICTED UPON CHILDREN DUMPED ACROSS STATE LINES INTO GENERALLY SMALL, OBSCURE "PSYCHIATRIC TREATMENT" FACILITIES. ONE PROGRAM CITED, LAZY HILLS RESIDENTIAL TREATMENT CENTER IN SOUTH CENTRAL TEXAS, FUNDED FEDERALLY THROUGH THE DEFENSE DEPARTMENT'S CIVILIAN HEALTH AND MEDICAL PROGRAM FOR THE

UNIFORMED SERVICES, USES A PAIR OF POT-SMOKING RELIGIOUS ZEALOTS TO BRAINWASH CHILDREN INTO BELIEVING THAT THE WORLD'S END IS AT HAND AND THAT THE TIME HAS COME FOR THEM TO MEND THEIR WAYS AND SEEK REPENTANCE. IN MAINE, AN EMOTIONALLY DISTURBED TEENAGE GIRL, SIX MONTHS PREGNANT, WAS FORCED INTO A BOXING RING TO FIGHT ANOTHER ANGRY TEENAGER AS PART OF HER "TREATMENT" AT ONE SUCH CHILD-CARE CENTER.

#### METHADONE CENTER SPAWNING CRIMINALS

SEPT. 21 (IPS)--PATIENTS IN THE METHADONE MAINTENANCE PROGRAM AT THE SHEPARD AND ENOCH PRATT HOSPITAL IN BALTIMORE HAVE ALLEGED THAT THEY ARE BEING ILLEGALLY CHARGED FOR THEIR DOSES, ACCORDING TO TODAY'S BALTIMORE SUN. OFFICIALS AT THE HOSPITAL DENIED THAT SUCH PRACTICE IS GOING ON, THOUGH EIGHT PATIENTS TOLD REPORTERS THAT A CONSELOR IN THE PROGRAM TOLD THEM: "YOU KNOW WHERE TO GET THE MONEY -- YOU GOT IT WHEN YOU WERE OUT THERE SHOOTING HEROIN."

U.S. LABOR PARTY ORGANIZERS HAVE TARGETTED THE METHADONE MAINTENANCE PROGRAMS IN BALTIMORE FOR INVESTIGATION BY HONEST LAW ENFORCEMENT OFFICIALS AS A SOURCE OF ILLICIT DRUG TRAFFIC AND BRAIN-WASHING THAT PRODUCE PSYCHOTIC KILLERS AND OTHER ZOMBIES.

#### III. U.S. LABOR PARTY INTELLIGENCE & ORGANIZING.

#### SOVIET SCIENTISTS PROJECT FEASIBILITY OF NEW FUSION SYSTEM TO BE DEMONSTRATED WITHIN ONE YEAR

SEPT. 21 (IPS)--LEADING U.S. SCIENTISTS HAVE INFORMED IPS THAT SOVIET SCIENTISTS ATTENDING THE CULHAM HIGH BETA AND THE LAUSANNE EUROPEAN CONFERENCE ON CONTROLLED THERMONUCLEAR REACTIONS (CTR) HAVE ANNOUNCED THAT THEY EXPECT TO DEMONSTRATE THE SCIENTIFIC FEASIBILITY OF A NEW APPROACH TO CONTROLLED FUSION WITHIN THE NEXT YEAR. THE NEW SYSTEM, CALLED "LINUS", IS BASED ON THE PULSED GENERATION OF INTENSE MAGNETIC FIELDS, HUNDREDS OF TIMES STRONGER THAN THOSE USUALLY FOUND IN CTR CONFINEMENT SYSTEMS. THE PULSED MEGA-GAUSS FIELD IS PRODUCED BY PASSING A HIGH VOLTAGE ELECTRICAL CURRENT THROUGH A HOLLOW CONDUCTING CYLINDER WHICH IS COLLAPSED BY THE MAGNETIC FIELD GENERATED. THE COLLAPSING CYLINDER TRAPS AND COMPRESSES THE MAGNETIC FIELD WITHIN IT AND THUS PRODUCES THE MEGA-GAUSS FIELD.

A GROUP UNDER THE DIRECTION OF E.P. VELIKHOV AT THE KURCHATOV INSTITUTE IN MOSCOW IS BUILDING A SYSTEM CONSISTING OF TWO MARSHALL GUNS TO GENERATE PLASMA, A BASEBALL MAGNETIC MIRROR, AND TWO CONICAL SHAPED LINUS CYLINDERS FOR THREE-DIMENSIONAL COMPRESSION OF THE PLASMA. THIS COMPLICATED COMPLEX WILL BE COMPLETED WITHIN THE NEXT YEAR AND IS PROJECTED TO REACH THE LAWSON BREAK-EVEN POINT. THE SOVIET LINUS PROGRAM IS APPROXIMATELY EQUAL IN TERMS OF SCALE TO THE U.S. TOKAMAK RESEARCH EFFORT, THE MAIN SYSTEM CURRENTLY BEING RESEARCHED IN THE U.S.

THE ONLY U.S. RESEARCH ON THIS APPROACH IS BEING CARRIED OUT BY A SMALL GROUP AT THE NAVAL RESEARCH LAB IN WASHINGTON, D.C., UNDER THE DIRECTION OF DR. ROBSON, AND IS NOT BEING FUNDED BY THE ENERGY RESOURCES DEVELOPMENT AGENCY (ERDA).

**"DOLPHINE DIANE" FEINSTEIN MAY ADOPT  
CAMPAIGN STRATEGY SUGGESTED BY ALIOTO**

SEPT. 21 (IPS)--FOLLOWING THE U.S. LABOR PARTY'S CAMPAIGN EXPOSURE OF SUPPOSED MAYORAL FRONTRUNNER "DOLPHINE DIANE" FEINSTEIN AS THE BECHTEL-FINANCED CANDIDATE OF THE BAY AREA COUNCIL, FEINSTEIN INDICATED YESTERDAY THAT SHE MAY ADOPT THE CAMPAIGN STRATEGY MAYOR ALIOTO URGED ON HER DURING THE SAN FRANCISCO POLICE STRIKE: KEEP HER MOUTH SHUT!

WHEN USLP MAYORAL CANDIDATE NICK BENTON APPROACHED FEINSTEIN YESTERDAY AT THE ENDORSEMENT CONVENTION OF THE CITYWIDE DEMOCRATIC CLUBS ASKING WHETHER SHE SUPPORTED FEDERAL RESERVE CHAIRMAN ARTHUR BURNS' PROPOSAL TO REPLACE WELFARE WITH SLAVE LABOR JOBS, FEINSTEIN, FRECH FROM PUTTING THREE UNION-BUSTING AMENDMENTS ON THE BALLOT, REPLIED: "I DON'T HAVE TO ANSWER YOU," WHILE FEINSTEIN'S HUSBAND, A SURGEON, THREATENED TO SLUG BENTON.

BENTON'S EXPOSURE OF "MIRIJUANA GEORGE" MOSCONE AND "DOLPHINE DIANE" FEINSTEIN HAS DESTROYED THE CREDIBILITY OF THE TWO FORMER LEADING BOURGEOIS CONTENDERS, LEAVING A WIDE-OPEN RACE FOR THE USLP IN NOVEMBER WITH THE VOTE DIVIDED AMONG 11 UNIFORMLY ANTI-LABOR CANDIDATES.

## KISSINGER SOFTENS FOREIGN POLICY LINE AS SOP TO LIBERAL DEMOCRATS

UNITED NATIONS, N.Y., SEPT. 22 (IPS) -- IN A SPEECH SUBSTANCELESS IN CONTENT BUT CONCILIATORY IN TONE, SECRETARY OF STATE HENRY KISSINGER STATED HERE TODAY, "SO WE (THE U.S.) SAY TO ALL PEOPLES AND GOVERNMENTS: LET US FASHION TOGETHER NEW WORLD ORDER. LET ITS ARRANGEMENTS BE JUST. LET THE NEW NATIONS HELP SHAPE IT AND FEEL IT IS THEIRS...LET US ALL WORK TOGETHER TO ENRICH THE SPIRIT AND TO ENNOBLE MANKIND."

BESIDES THIS SOFT STANCE TOWARDS THE THIRD WORLD, KISSINGER THREW A SOP TO SUCH CRITICS AS GEORGE BALL BY MODIFYING HIS STAND ON THE MIDEAST, CALLING BOTH FOR THE EVENTUAL REOPENING OF THE GEN-EVA CONFERENCE AND INFORMAL MULTILATERAL MEETINGS ON THE MIDEAST.

KISSINGER'S CONCILIATORY SPEECH FOLLOWS STATEMENTS BY SENATOR EDWARD KENNEDY (D-MASS.) AND OTHER LIBERAL SENATORS WHICH PRAISED KISSINGER'S NEW "SOFT LINE" TOWARDS THE THIRD WORLD AND THE MID-EAST.

THERE ARE STRONG INDICATIONS THAT KISSINGER'S "SOFT TONE" ON FOREIGN POLICY IS PART OF A TRADE-OFF WITH THE LIBERAL DEMOCRATS -- A TRADEOFF WHICH WILL INVOLVE A MORE CONCILIATORY, COUNTERINSURGENT-ORIENTED POLICY FROM THE ADMINISTRATION IN RETURN FOR SUPPORT FOR A "HARDLINE" FASCIST DOMESTIC ECONOMIC PROPOSAL AND CRIMINAL CODE REFORM LEGISLATION BY THE DEMOCRATS.

## HUMPHREY SUPPORTS BURNS' FASCIST PROPOSALS

SEPT. 22 (IPS) -- AN AIDE TO CAPITOL HILL'S CHEAPEST WHORE, SEN. HUBERT HUMPHREY (D-MINN.), TOLD A CALLER TODAY THAT FEDERAL RESERVE CHAIRMAN ARTHUR BURNS' RECENT PROPOSAL FOR DOING AWAY WITH UNEMPLOYMENT BENEFITS AND WELFARE PROGRAMS AND REPLACING THEM WITH BELOW MINIMUM WAGE SLAVE-LABOR JOBS WAS "DELIGHTFUL" AND "ABSOLUTELY TREMENDOUS." THE AIDE, TIM BARNACLE, SAID THAT HE WAS CERTAIN THAT "FRIEND OF LABOR" HUMPHREY "FEELS EXACTLY THE SAME WAY." REITERATING SEVERAL TIMES THAT HUMPHREY FIRMLY OPPOSED WELFARE AND UNEMPLOYMENT COMPENSATION, BARNACLE COMMENTED THAT, "IF I WAS A GOOD REPUBLICAN, I WOULD BE DOING EXACTLY WHAT BURNS IS DOING NOW...IF FORD WAS GOING IN THE CORRECT DIRECTION, HE WOULD TAKE THE BURNS' PROPOSAL AND RJN FAST WITH IT." HUMPHREY HIMSELF IS PREPARING A

9.22 COMBINED IPS/2

NATIONWIDE FALL TOUR TO BOOST HIS OWN VERSION OF BURNS' FASCIST PROPOSAL, THE NOTORIOUS HUMPHREY-HAWKINS PUBLIC WORKS BILL.

#### FORD ENDORSES ROCKEFELLER ENERGY PLAN

SEPT. 22 (IPS) -- PRESIDENT FORD ENTHUSIASTICALLY ENDORSED ROCKEFELLER'S PLAN TO FUND A \$100 BILLION GOVERNMENT CORPORATION TO BAIL OUT SAGGING ROCKEFELLER ENERGY INVESTMENTS TODAY IN A SPEECH TO AFL-CIO OFFICIALS IN SAN FRANCISCO. FORD HAD PREVIOUSLY BEEN REPORTED TO BE AGAINST THE PROPOSAL.

FORD, NOTING THAT HIS ENDORSEMENT OF THE ROCKEFELLER PLAN COMES TWO DAYS BEFORE THE MEETING OF OPEC COUNTRIES IN VIENNA SAID, "WE DON'T HAVE TO TAKE THESE PRICE RISES LYING DOWN AND WE WON'T." FORD SAID HE WAS MOVING ON THE ROCKEFELLER BAILOUT PLAN, WHICH HAS BEEN CLOAKED AS A MOVE TO DEVELOP NEW ENERGY SOURCES, BECAUSE SOMETHING HAD TO BE DONE IN THE FACE OF "CONGRESSIONAL INACTION ON ENERGY." HE ALSO DECLARED THAT SO-CALLED "ENERGY INDEPENDENCE" WOULD ULTIMATELY TAKE AN INVESTMENT OF \$600 BILLION.

TONIGHT'S WASHINGTON STAR REPORTS THAT WITHIN THE ADMINISTRATION ADVOCATES OF THE PLAN ARE VICE PRESIDENT ROCKEFELLER, SECRETARY OF COMMERCE MORTON, AND SECRETARY OF LABOR DUNLOP, AND OPPOSITIONS ARE TREASURY SECRETARY SIMON, THE DIRECTOR OF THE OFFICE OF MANAGEMENT AND BUDGET, JAMES LYNN, AND THE CHAIRMAN OF THE COUNCIL OF ECONOMIC ADVISORS, WILLIAM GREENSPAN.

#### KENNEDY, HUMPHREY URGE SUPPORT FOR NEW ANTI-COMMUNIST PORTUGUESE GOVERNMENT

WASHINGTON, D.C., SEPT. 22 (IPS) -- SENATORS KENNEDY (D-MASS.), HUMPHREY (D-MINN.) AND BROOKE (R-MASS.) ARE SPONSORING A RESOLUTION CALLING ON THE U.S. GOVERNMENT TO DEVELOP A "GAME PLAN" FOR FURNISHING FINANCIAL AND OTHER FORMS OF AID TO THE NEW RIGHT WING PORTUGUESE CABINET. KENNEDY, ALREADY A FIRM BACKER OF THE U.S. ECONOMIC BOYCOTT AGAINST PORTUGAL, INTRODUCING THE RESOLUTION INTO THE SENATE ON FRIDAY, CONDEMNED THE PORTUGUESE COMMUNIST PARTY FOR INTERFERENCE WITH AND ACTIVITIES AGAINST THE CATHOLIC CHURCH. KENNEDY ALSO OFFERED PRAISE FOR NATO AGENT MARIO SOARES, HEAD OF THE PORTUGUESE SOCIALIST PARTY.

#### NEW BOSTON POLLS DISCREDIT CIA/GLOBE VOTE-STEALING PLAN

SEPT. 22 (IPS) -- THE BOSTON GLOBE'S PROGRAMMED "PREDICTION" OF A ONE PER CENT VOTE FOR USLP MAYORAL CANDIDATE ROBERT GIBBONS WAS FURTHER DISCREDITED TODAY BY A WBZ RADIO POLL OF 121 RANDOMLY SELECTED CITIZENS GIVING GIBBONS 15 PER CENT, 34 PER CENT FOR CIA-BACKED INCUMBENT MAYOR KEVIN WHITE AND 47 PER CENT FOR THE THIRD CANDIDATE, A NONENTITY NAMED TIMILTY. IN A WBZ TALK SHOW DEVOTED TO THE POLL RESULTS ON TOMORROW'S MAYORAL PRIMARY, NINE CALLERS IDENTIFIED THEMSELVES AS USLP SUPPORTERS, SOME COMPARING THE WBZ RESULTS WITH A POLL OF 25,000 AFSCME WORKERS GIVING GIBBONS 38 PER CENT, 10 PER CENT TO MAYOR WHITE AND 52 PER CENT TO TIMILTY.

MEANWHILE, THE LABOR PARTY'S OWN STRAW POLLS IN BOSTON'S WHITE WORKING CLASS NEIGHBORHOODS ARE GIVING GIBBONS A SOLID 20 PER CENT, WITH MANY VOTERS STILL UNDECIDED.

TODAY GIBBONS CAMPAIGNED ON PICKET LINES OF BOSTON'S 5,000 STRIKING TEACHERS, AND GIBBONS' SUPPORTERS DISTRIBUTED OVER 1000 SPECIAL STRIKE BULLETINS CALLING FOR A CITY DEBT MORATORIUM. GROUPS OF STUDENTS SUPPORTING GIBBONS DEBT MORATORIUM CALL WERE REPORTED TO HAVE JOINED TEACHERS PICKET LINES AT AT LEAST ONE SCHOOL.

#### DETROIT FREE PRESS CALLS FOR LEGALIZATION OF HEROIN

SEPT. 22 (IPS)--IN AN EDITORIAL YESTERDAY, DETROIT FREE PRESS EDITOR JOE STROUD CALLED FOR THE LEGALIZATION OF HEROIN AS A "SOLUTION TO THE DRUG PROBLEM." STROUD MENDACIOUSLY ATTACKED THE ONGOING STRUGGLE TO CRACKDOWN ON LEAA DRUG PUSHING BY MEMBERS OF THE STATE LEGISLATURE AS EVIDENCE OF THE FAILURE OF PREVIOUS DRUG LEGISLATION.

STROUD'S RECOMMENDATIONS COME AS DRUG RELATED GANG-WARS HAVE ERUPTED IN MAJOR DETROIT AUTO PLANTS, RESULTING IN THREE MURDERS IN ONE WEEK. STROUD HOPES TO DEFLECT A WAYNE COUNTY COMMISSIONER'S INVESTIGATION INTO THE MAJOR ROLE PLAYED IN THE ILLICIT DRUG TRADE BY THE AREA'S LEAA-FUNDED METHADONE PROGRAMS.

IN AN ALLUSION TO THE ROLES OF BOTH HEROIN AND METHADONE IN IN-PLANT BRAINWASHING AND SLAVE LABOR PROGRAMS, STROUD POINTS OUT THAT THE DRUGS HAVE "POSSIBILITIES THAT OUGHT TO BE FURTHER UTILIZED AND CONSIDERED." LAST WEEK, THE BALTIMORE SUN, ANOTHER CIA-LINKED NEWSPAPER, CALLED FOR A SIMILAR EXTENSION OF METHADONE DRUG ADDICTION.

#### NEXT PRESIDENT OF MEXICO "UNCOVERED"

MEXICO CITY, SEPT. 22 (IPS)--FINANCE MINISTER JOSE LOPEZ PORTILLO, A LONGTIME FRIEND OF PRESIDENT LUIS ECHEVERRIA WAS "UNCOVERED" TODAY AS THE CANDIDATE OF THE RULING PRI PARTY, WHICH VIRTUALLY ASSURES HIM OF BECOMING THE NEXT PRESIDENT OF MEXICO, ACCORDING TO REPORTS IN THE EVENING EDITION OF EXCELSIOR, ULTIMAS NOTICIAS. THE RADIO ALSO REPORTED RUMORS THAT RIGHT-WING INTERIOR MINISTER MARIO MOYA PALENCIA HAS RESIGNED.

IN THE TRADITIONAL STYLE OF THE NOMINATION OF PRI CANDIDATES EVERY SIX YEARS, THE SELECTION OCCURRED AFTER THE HEAD OF THE WORKER SECTION OF THE PRD, THE MEXICO WORKERS' CONGRESS (CTM), FIDEL VELAZQUEZ MARCHED INTO THE FINANCE MINISTRY TODAY AND DECLARED THAT LOPEZ PORTILLO WAS THE BEST MAN TO SUCCEED PRESIDENT ECHEVERRIA. LOPEZ PORTILLO, ONE OF THE LEAST CONTROVERSIAL OF THE SEVEN PRE-CANDIDATES, AND AN OLD SCHOOLMATE OF ECHEVERRIA, HAS BEEN FINANCE MINISTER FOR TWO YEARS.

ACCORDING TO ULTIMAS NOTICIAS, THE NEWSPAPER WHICH FIRST BROKE THE STORY, "LEADERS OF THE NATIONAL TRADE UNIONS, OF WORKER ORGANIZATIONS AND WORKERS IN GENERAL DECIDED THIS AFTERNOON THAT THEY WOULD SUPPORT THE CANDIDACY OF JOSE LOPEZ PORTILLO FOR THE PRESIDENCY." THERE IS STILL NO REPORT ON WHETHER THE "POPULAR" SECTOR OF THE PRI, THE CNOP, HAS SUPPORTED THE SELECTION. THE PEASANT THIRD SECTOR OF THE PRI, THE CNC, THUS FAR HAS ALSO MADE NO OFFICIAL STATEMENT.

IN ADDITION TO THE RUMORED RESIGNATION OF MOYA PALENCIA, UNCONFIRMED REPORTS STATE THAT THE POWERFUL HEAD OF THE PRI, JESUS REYES HEROLES, HAS ALSO RESIGNED, AND THAT HE WILL BE REPLACED BY LABOR MINISTER PORFIRIO MUNOZ LEDO.

WHEN INTERVIEWED BRIEFLY ON THE UNCOVERING BY THE PRESS THIS EVENING, PRESIDENT LUIS ECHEVERRIA SAID: "THANKS FOR LETTING ME KNOW."

#### SYRIA HELPS ESCALATE CRISIS IN LEBANON

SEPT. 22 (IPS)--SOURCES RECENTLY IN BEIRUT REPORT THAT SYRIAN SECURITY FORCES ARE COOPERATING IN THE ESCALATING OF THE CRISIS CURRENTLY ENGULFING LEBANON, ACCORDING TO THE OFFICIAL IRAQI NEWSPAPER ATH THAWRA. THE SOURCES ADDED THAT MANY SHOPS AND INSTITUTIONS HAD BEEN DESTROYED BY THE SYRIAN SECURITY FORCES WITH THE INTENTION OF MAINTAINING THE SITUATION AT CRISIS LEVEL.

THE NEW YORK TIMES REPORTS TODAY THAT SYRIAN FOREIGN MINISTER ABDEL HALIM KHADDAM, WHO HAS INVITED HIMSELF TO LEBANON TO CONDUCT "MEDIATION" EFFORTS, SAID YESTERDAY THAT THE SYRIAN HOODLUMS "WILL NOT LEAVE LEBANON UNTIL THE CRISIS IS SOLVED, EVEN IF WE HAVE TO STAY A MONTH." IN AN ACT OF UNBRIDLED FALSIFICATION, THE TIMES' JAMES MARKHAM SAID THE "HIGH-RANKING SYRIAN MEDIATION MISSION APPEARED DETERMINED TODAY TO PATCH TOGETHER A DURABLE TRUCE AMONG LEBANON'S WARRING FACTIONS."

#### PORTUGUESE LIBERATION ARMY TAKES CREDIT FOR BOMBING

SEPT. 22 (IPS)--THE PORTUGUESE LIBERATION ARMY (ELP), A RIGHTWING TERRORIST ORGANIZATION LINKED TO EX-PRESIDENT SPINOLA AND THE CIA, TODAY CLAIMED CREDIT FOR YESTERDAY MORNING'S BOMB EXPLOSION OUTSIDE OF THE RESIDENCE OF PORTUGAL'S PRIME MINISTER, ADMIRAL PINHEIRO DE AZEVEDO. AN ELP COMMUNIQUE STATED THAT THE OBJECTIVE OF THE ATTACK WAS TO "DEMONSTRATE OUR OPPOSITION TO THE MARXIST MILITARY POWER IN PORTUGAL AND TO DECLARE THAT WE ARE NOW IN A POSITION TO LIQUIDATE ANY FIGURE OF THE MARXIST GOVERNMENT," REPORTS UPI. TODAY'S U.S. CIA PRESS ATTEMPTED TO USE THE BOMBING AS A PRETEXT FOR CALLING ON THE PORTUGUESE GOVERNMENT TO MOVE AGAINST ARMED COMMUNIST AND ULTRA-LEFT GROUPS.

LABOR PARTY GOES FOR RESTRAINING ORDER IN CHARLOTTE

SEPT. 22 (IPS)--LAWYERS FOR THE US LABOR PARTY WILL FILE AN EMERGENCY APPEAL IN NORTH CAROLINA STATE COURT TONIGHT OF LAST FRIDAY'S CHARLOTTE BOARD OF ELECTIONS RULING ALLOWING A SELF-CONFESSED AGENT, MARK ENGLANDER, TO RUN AS A "LABOR PARTY" OPPONENT OF USLP MAYORAL CANDIDATE STAN EZROL IN TOMORROW'S PRIMARY ELECTION. THE USLP EXPECTS THE APPEAL TO PROVIDE THE IMMEDIATE BASIS FOR A TEMPORARY RESTRAINING ORDER CANCELLING TOMORROW'S VOTE, ALLOWING TIME FOR A FULL SUIT IN STATE SUPREME COURT. IF THE RELIEF IS NOT GRANTED IN THE STATE COURT, THE LABOR PARTY WILL TAKE ITS REQUEST FOR A TEMPORARY INJUNCTION TO FEDERAL COURT TONIGHT.

SEPT. 22 (IPS)--NEARLY 5,000 BOSTON TEACHERS UNION (BTU) MEMBERS STRUCK THIS MORNING AFTER OVERWHELMINGLY REJECTING THE SCHOOL BOARD'S FINAL OFFER YESTERDAY. THE MAJOR STRIKE ISSUES ARE TEACHER OPPOSITION TO CUTS IN SUPPLEMENTARY EDUCATION PROGRAMS AND THE BTU'S DEMANDS FOR JOB SECURITY IN THE MIDST OF AN LEAA-INSPIRED BUSING PLAN WHICH CUT SCHOOL ATTENDANCE BY 25% LAST YEAR AND WHICH HAS CAUSED ANOTHER 25-30% OF THE STUDENT POPULATION TO DROP OUT TO DATE THIS YEAR. SEN. CHURCH SUPPORTS MURPHY COMMISSION CIA "REFORMS"

SEPT. 22 (IPS)--SEN. FRANK CHURCH (D-IDAHO) CHAIRMAN OF THE SENATE SELECT COMMITTEE INVESTIGATING THE CIA, WAS QUOTED BY THE SEPT. 21 ISSUE OF PARADE MAGAZINE AS SUPPORTING THE CREATION OF A JOINT CONGRESSIONAL OVERSIGHT COMMITTEE AS A MEANS OF CLEANING UP THE CIA.

SUCH A JOINT COMMITTEE IS A CENTRAL FEATURE OF ROCKEFELLER'S MURPHY COMMISSION RECOMMENDATIONS FOR "REFORMING" THE COUNTRY'S INTELLIGENCE APPARATUS INTO A NATIONAL SECURITY COUNCIL-CONTROLLED DOMESTIC DICTATORSHIP. CHURCH'S COMMENTS ARE EXPECTED TO BOLSTER CHARGES THAT THE CHURCH COMMITTEE'S INVESTIGATION IS A COVER-UP OF CIA CRIMES, MANIPULATED BY ROCKEFELLER-AFFILIATED FORCES.

SENATOR CHURCH: "A HIPPOPOTAMUS ROLLING A PEA"...

SEPT. 22 (IPS)--SEN. FRANK CHURCH, (D-IDAHO) CHAIRMAN OF THE SENATE SELECT COMMITTEE ON INTELLIGENCE, ACKNOWLEDGED AT THE CLOSE OF THE THREE-DAY ROUND OF HEARINGS ON A SECRET CIA CACHE OF SHELLFISH TOXIN AND OTHER DEADLY POISONS THAT THE COMMITTEE'S PERFORMANCE MAY HAVE REMINDED SOME ONLOOKERS OF A "HIPPOPOTAMUS ROLLING A PEA."

IN TODAY'S WASHINGTON POST, STAFF WRITER GEORGE LARDNER DESCRIBED THE RECENT HEARINGS AS "GOOD THEATER" WHICH SEEMED "A BIT THIN AFTER SO MANY MONTHS OF INVESTIGATION." THE POST ARTICLE ALSO POINTS OUT THAT WHILE THE SENATE COMMITTEE HAS GOTTEN MORE CLASSIFIED DOCUMENTS THAN ANY OTHER COMMITTEE, THE COMMITTEE HAS BEEN WILLING TO SETTLE FOR "SANITIZED DOCUMENTS, DELETIONS AND PARAPHRASES."

...BUT HAS HIPPOPOTAMUS-CHURCH LOST HIS NUTS?

SEPT. 22 (IPS)--IN A RELATED DEVELOPMENT, IPS HAS LEARNED THAT HIPPOPOTAMUS-CHURCH MAY HAVE LOST HIS BALLS. AN ARTICLE IN THE WASHINGTON POST SUNDAY MAGAZINE YESTERDAY DESCRIBED HOW SEN. CHURCH, IN THE 1940'S, WAS GIVEN SIX-MONTHS TO LIVE AFTER AN ADVANCED CASE OF CANCER OF THE TESTICLES WAS DIAGNOSED. THOUGH, AFTER X-RAY TREATMENT, CHURCH WAS SAID TO HAVE UNDERGONE A "MIRACULOUS" RECOVERY, IPS WILL BE CHECKING THE EXTENT OF DAMAGE. THIS INFORMATION MAY EXPLAIN THE SENATOR'S EXTRAORDINARY IMPOTENCE.

WASHINGTON POST MOVES AGAINST ILLEGAL IMMIGRANTS

SEPT. 22 (IPS)--IN A MOVE RELATED TO THE ROCKEFELLER PUSH FOR THE S-1 "REFORM" OF THE FEDERAL CRIMINAL CODE AND FASCIST FULL EMPLOYMENT SCHEMES, THE LEAD EDITORIAL IN TODAY'S WASHINGTON POST DECLARES THAT ILLEGAL IMMIGRATION INTO THE U.S. IS "TOTALLY OUT OF CONTROL," AND GIVES "CRITICAL SUPPORT" TO A HOUSE

---

JUDICIARY COMMITTEE BILL WHICH WOULD IMPOSE PENALTIES ON EMPLOYERS WHO REPEATEDLY EMPLOY ILLEGAL ALIENS. THE POST CRITICIZES THE BILL FOR NOT BEING STRONG ENOUGH AND FOR ATTACKING THE EMPLOYER RATHER THAN THE ALIEN.

A RELATED ARTICLE--A YELLOW OP-ED ALSO IN THE POST--TERMED THE MASSIVE WAVES OF IMMIGRATION TO NEW YORK CITY FROM THE SOUTH AND PUERTO RICO THE CAUSE OF THE "NEW YORK DISEASE," AND WARNED THAT IT MIGHT SPREAD TO OTHER CITIES.

#### KISSINGER AVOIDS IPS

UNITED NATIONS, N.Y. SEPT. 22 (IPS)--U.S. SECRETARY OF STATE HENRY KISSINGER REFUSED TO ANSWER QUESTIONS FROM INTERNATIONAL PRESS SERVICE REPORTER HERE TODAY, AFTER A HIGH LEVEL OFFICIAL IN THE UNITED STATES MISSION INFORMED THE SECRETARY THAT THE REPORTER WAS FROM IPS. PRIOR TO THE INTERVENTION BY THE U.S. OFFICIAL, KISSINGER HAD BEGUN TO ANSWER THE REPORTERS QUESTIONS.

#### CYPRUS OFFICIAL FEARS CIA INTERVENTION

SEPT. 22 (IPS)--A HIGH LEVEL CYPRIOT OFFICIAL TOLD IPS TODAY THAT HE FEARED THE UNITED STATES CENTRAL INTELLIGENCE AGENCY WOULD FOMENT TENSION ON THE ISLAND OF CYPRUS "FOR ITS OWN PURPOSES."

THIS STATEMENT FOLLOWS NUMEROUS REPORTS FROM EASTERN EUROPEAN SOURCES, INCLUDING EAST GERMAN SOCIALIST UNITY PARTY POLITBURO MEMBER HERMAN AXEN, THAT CYPRUS COULD BE THE SITE OF A NEW IMPERIALIST PROVOCATION.

ONE TURKISH SOURCE TOLD IPS SUCH PROVOCATIONS ARE BEING PLANNED TO DISRUPT ATTEMPTS BY TURKEY AND GREECE TO MOVE AWAY FROM THE UNITED STATES TOWARDS A POLICY OF NON-ALIGNMENT.

#### JAPANESE ECONOMIC CZAR CHANGES LINE AFTER SECRET MEETING WITH DAVID ROCKEFELLER

NEW YORK, SEPT. 22 (IPS)--HIGHLY INFORMED SOURCES REVEALED TODAY THAT JAPANESE VICE PREMIER AND ECONOMIC PLANNING AGENCY HEAD TAKEO FUKUDA SECRETLY MET WITH DAVID ROCKEFELLER AT ONE CHASE MANHATTAN PLAZA DURING AN UNSCHEDULED STOPOVER IN NEW YORK DURING FUKUDA'S RECENT "OFFICIAL" VISIT TO SOUTH AMERICA.

ALTHOUGH THE EXACT NATURE OF THE DISCUSSIONS BETWEEN ROCKEFELLER AND FUKUDA IS NOT YET KNOWN, THE SOURCES POINT OUT THAT AFTER FUKUDA RETURNED FROM HIS TOUR HE REVERSED HIS PREVIOUS LONG-STANDING COMMITMENT TO A STRONG ANTI-INFLATIONARY POLICY IN SUPPORT OF A MASSIVE ECONOMIC REFLATION POLICY, FINANCED LARGELY THROUGH THE ISSUANCE OF GOVERNMENT BONDS.

## NEW YORK FINANCIAL COMMUNITY PRO-MAO

SEPT. 22 (IPS)--SPEAKING FOR THE NEW YORK FINANCIAL COMMUNITY, AN AUTHORITATIVE BANK ECONOMIST SAID TODAY, "WE HAVE FELT A PUBLIC EMPLOYMENT PROGRAM LIKE THE ONE BURNS OUTLINED ON FRIDAY WOULD BE A GOOD THING AT THIS TIME. MANY OF THE PEOPLE NOW OUT OF WORK HAVE NEITHER THE SKILLS NOR WORK EXPERIENCE TO FIND WORK WHEN THERE IS A RECOVERY. PUBLIC SERVICE EMPLOYMENT WOULD TAKE CARE OF THAT."

BURNS PROPOSAL MADE IN A SPEECH LAST FRIDAY CALLED FOR THE PROVISION OF PUBLIC WORKS JOBS AT BELOW THE FEDERAL MINIMUM WAGE WHILE ELEMENATING BOTH WELFARE AND UNEMPLOYMENT COMPENSATION.

"THE NEW YORK FINANCIAL COMMUNITY WOULDN'T LIKE TO SEE THE FEDERAL DEFICIT INCREASED," THE SOURCE, WHO REQUEST ANONYMITY, STATED, "BUT THE BURNS PROPOSAL COMES IN A MOST EFFICIENT FORM. YOU SEE THE RESULTS OF YOUR SPENDING IMMEDIATELY."

A SHIFT TO LABOR-INTENSIVE METHODS IS THE ANSWER TO THE DEPRESSION, IN THE VIEW OF THIS ECONOMIST. HE SAID THE INCREASED COST OF ENERGY HAS ACTUALLY HAD FAVORABLE EFFECTS. WITH LABOR CHEAPER THAN ENERGY AND MACHINERY, EMPLOYERS HAVE SHIFTED TO LABOR-INTENSIVE METHODS ALREADY. THIS HAS KEPT UNEMPLOYMENT DOWN.

#### BRAZIL: NEW ECONOMIC MEASURE REDUCES WAGES AND RESTRICTS CREDIT

SEPT. 22 (IPS)--THE BRAZILIAN FINANCE MINISTRY ANNOUNCED THIS WEEK THAT CERTAIN "ACCIDENTAL FACTORS," SUCH AS THE PERIODIC DROUGHT AND THE DEVASTATING FROSTS WHICH DESTROYED UP TO 30% OF THE COUNTRY'S AGRICULTURAL PRODUCTION FOR THIS YEAR, WILL NO LONGER BE CALCULATED INTO THE COUNTRY'S INFLATION FIGURES. THE NEW ECONOMIC MEASURE WHICH WAS REPORTED BY THE RIO DAILY, JORNAL DO BRASIL, WILL MEAN THAT THE COUNTRY'S INFLATION FIGURES WILL BE ANYWHERE FROM 5 TO 10% LOWER THAN THE ACTUAL INFLATION RATE. WORKERS' WAGES, INTEREST RATES ON LOANS AND BONDS, AND THE NOW-MONTHLY DEVALUATIONS OF THE NATIONAL CURRENCY WHICH ARE INDEXED ACCORDING TO THE INFLATION RATE WILL NOW BE CALCULATED ON THE BASIS OF NEW GOVERNMENT FIGURES.

THE IMMEDIATE EFFECT OF THE REVIS ON WILL BE A REDUCTION IN OVERALL SALARIES AND A SIGNIFICANT RESIRICTION OF ALL TYPES OF DOMESTIC CREDIT INSTRUMENTS, SUCH A MOVE WILL HASTEN THE COLLAPSE OF THE NATION'S INDUSTRY.
