

## Is the Democratic Party Already Dead?

by Lyndon H. LaRouche, Jr.

*The LaRouche Political Action Committee released this statement for the widest possible circulation.*

Aug. 27—Already, clearly more than half of the legally adult citizenry of the United States has bitterly rejected both the Obama Presidency’s policies and those of most of the members of the U.S. Congress. The Democratic Party is virtually finished, if the Party does not change its policy to one of opposition to both the hated, thieving bail-out, and cancel all support for that health-care policy of President Obama which is an exact copy, in explicit content, of the 1939-1942 health-care policies of dictator Adolf Hitler personally, health-care policies of Hitler which were introduced to British law’s NICE policy of the liar, Tony Blair. This is that same, evil Tony Blair, who orchestrated the U.S. plunge into the recent Iraq War, and is now part of the process of plunging the U.S. into an even worse catastrophe now rapidly escalating in Afghanistan.

My policy, which I intend shall be reported everywhere, is the following.

1. Since President Obama was elected, we can not simply dump him, unless he must be impeached, an outcome which we should not desire at this time. We must keep him in place, and protect him from the clear and present threat of an assassination-attack from British or related sources angered by fear that President Obama’s present, London-dictated U.S. policies must be termi-

nated. We must seek to avoid that impeachment, which we can do if the deeply emotionally troubled President himself will agree to cooperate with worthy advisors in what I propose will amount to a reasonable degree of “adult supervision” for the purpose of protecting him against his own, already manifest, so far characteristic impulsive expression of greatly impaired judgment while in office.

To this effect, we have many suitable officials in key positions within the U.S. Presidency today, provided we eliminate those associated with the architects of his explicitly Nazi-copied health-care program, and with the behaviorist cult circles generally. We also have available some suitable expert advisors of the Presidency on matters of dealing with the presently onrushing general breakdown-crisis of the U.S. and other national economies of the planet now.

2. We must, at the same time, push through the combination, in effect, of the original Pecora commission as originally empowered, and apply the explicit authority of the original intention of our Federal Constitution; to establish national banking as the notion is associated with the memory of Alexander Hamilton; and, cancel the authority of the corrupt and almost certainly hopelessly bankrupt Federal Reserve System, that we might return, as a nation, to those explicit terms of our Federal Constitution

which establish our system as that of a credit system, rather than the alien model of a monetary system.

3. To effect a recovery, certain steps must be taken immediately, before the close of the present U.S. fiscal year, to negotiate what is fairly estimated as an available four-power agreement among the U.S.A., Russia, China, India, and other nations willing to participate now, to establish an international fixed-exchange-rate credit system as a total replacement for a terminated, hopelessly bankrupted, presently existent monetary system
4. Through suitable actions in bankruptcy, we must undo the “bail-out” arrangements which have been chiefly responsible for those effects which have brought a majority of our citizens to hate their present Federal government. Otherwise, if that is not done, and done promptly, not only the U.S.A., but every nation on the planet is now on the verge of disintegrating in an unwinding which will be underway no later than the concluding several months of the calendar year 2009.

## Will Obama Jump On LaRouche Lifeboat?

### Special to EIR

Aug. 28—In response to the escalating popular revolt, and the leading role of Lyndon LaRouche and the LaRouche Political Action Committee (LPAC), in catalyzing this mass repudiation of the White House euthanasia plans, disguised as “health-care reform,” top leaders of the Democratic Party held a series of closed-door meetings in Washington in the past two weeks, according to several participants. While no agreement was reached over how to deal with the famous LPAC “Hitler mustache” poster, the level of hysteria spread to all levels of the Party, further jeopardizing President Obama’s political survival.

When the President, clearly exhausted by the pandemonium back at 1600 Pennsylvania Ave., announced that he was taking a four-day vacation at Camp David to “recover” from his week-long family vacation in Martha’s Vineyard—interrupted by the panicked press conference announcing the reappointment of Ben Bernanke as chairman of the Fed—even the slavishly pro-

pitiatory media could not resist drawing parallels between Obama and ex-President George W. Bush, who famously took a month-long August vacation in Crawford, Tex., during his first year in office, only to return to Washington to face the Sept. 11, 2001 attacks.

The President needs all the rest he can get. As LaRouche has warned, the weeks ahead are going to see the full-scale blowout of the entire global financial system, as the U.S. Federal government reaches the end of the current fiscal year; as every state in the nation reaches bankruptcy; as true unemployment soars towards 30% of the labor force; and as the full magnitude of the bankruptcy of the Federal Reserve System and the Federal government becomes transparent.

That is when the President is going to face his first real moment of truth. LaRouche has spelled out exactly
