

## Greetings from Academician Titarenko

*This greeting from Academician Mikhail Titarenko, Director of the Institute of Far East Studies, Russian Academy of Sciences, was read to the Schiller Institute Conference.*

Dear Professor LaRouche,  
Dear Helga:

On the occasion of the 30th anniversary of the Schiller Institute, please accept congratulations and best wishes from me personally, as well as from the many scholars at our Russian Academy of Sciences Institute of Far East Studies who know your work and activity.

For many years, you and your Institute have been

doing exceptionally important work to shape a new international economic order and improve the world climate.

The projects of the Schiller Institute—particularly those related to the Economic Belt of the Great Silk Road, the railway bridge in Eurasia, and the rehabilitation of the world financial system—are testimony to your profound insight, scientific honesty, and genuine civic and human courage.

In these current difficult times, we wish the Schiller Institute success in bringing your initiatives to fruition, as well as even more widespread recognition. To you personally, and all your colleagues: good health, redoubled creative energy, spiritual and intellectual well-being, and complete happiness!

Russian Presidential Press and Information Office

Respectfully yours,  
Academician Mikhail Titarenko
